Diamond Wedding Celebrated

Above: Celebrating 60 years of wedded bliss are Mr and Mrs Thomas McPhillips of Devon Street West, New Plymouth. Tom is a mere 93 years old, whilst his wife who is 13 yrs his junior is 80. A graceful old couple if ever we saw one. Congratulations to both of you, it does our old hearts good to see such a happy and contented pair after such a long married life.

OUR COVER

Children and animals have always appealed to us as charming subjects, but when the two are photographed together, they make the perfect picture. Ten-year-old Joanna Naylor and her pet English setter Mick make the perfect cover, particularly when their mutual love is so evident in the picture. We feel sure that you will agree that this is one of the nicest photographs ever to grace the cover of "Photo News".

BACK COVER:

There's no doubt about Taranaki being a photographer's paradise. At nearly every turn in the roads, one comes across vistas of the variety of the photograph on the back cover. This we term a typical Taranaki scene, with mountain stream, wooded hills and the source of Taranaki's wealth ...cows.

Dinner Preparations

The North Taranaki Rod and Gun Club recently held a sportsmen's reunion at the Kawaroa Bungalow. Every seat in the hall was taken at this popular event, with members from kindred clubs attending in force. With a menu that contained such delicacies as wild pork, wild duck, venison, pheasant, pukeko and smoked trout, what could one expect but a full house?

The cooks and carvers had a busy time getting this sumptuous meal prepared, and they earned the congratulations that were showered on them. Bill Vinnicombe and Ron Constable (left) helped with the serving, whilst Les Gardner (right) did a wonderful job carving these delicacies.

Taranaki Finalists In "Mrs N.Z." Radio Quest

These ten Taranaki housewives are the finalists in the New Zealand Broadcasting Service's "Mrs New Zealand" quest. The winner of the provincial contest will go forward to the national finals to be held later in the year. The national winner will receive very valuable prizes, as will the winner of the provincial title.

Taranaki Well Beaten

Taranaki suffered their first defeat of the season at the hands of Wellington. They were beaten in the forwards by a bigger and more robust pack. If this game is any indication of this season's strength, then the province has not suffered the last of its defeats. It was not until half way through the second spell that the visitors took a decided lead, but the writing was on the wall long before that. The fact is that Taranaki was guilty of making mistakes that proved to be costly. Let's hope that someone can instill some of that fire and vigour, so prominent in the shield series, back into this young team.

TARANAKI'S JUBILEE WINTER SHOW

Celebrating the fiftieth year of the Winter Show, the A. & P. Society staged one of the best shows that have been seen in the Agricultural Halls. Right from the start, it created records, first with the number of exhibitors, then with the attendance. The show, from the point of view of the man in the street, was much more varied than previously, and it aroused much more interest generally.

Above, left: The United Kingdom High Commissioner for New Zealand, Mr F.E. Cumming-Bruce, C.M.G., officially opening the Golden Jubilee show in the Queen's Hall, before a very large crowd.

Above, right: Following the opening, the High Commissioner made a tour of the exhibits. Here he is with the A. & P. Society president, Mr H.J. Kaye, asking questions about Johnnie Callender's Go-Kart, which was on display, and created quite a lot of interest.

Below: For the kids there was plenty of amusement. The wet weather kept them away from the fun fair, but they were not daunted. In our picture below, they found plenty of fun and amusement in the show called "Pixieland", which was a miracle of working models.

WOMEN SHOWED KEEN INTEREST

Women showed a very keen interest in anything that looked like a home appliance. From knitting machines to stereophonic radiograms, they were there, and what's more they wanted to know all about these modern marvels. The demonstrators had a busy four days with the record number of visitors.

SHOW POPULAR WITH CHILDREN

Children certainly had a wonderful time at the show, with plenty to interest them, and bundles of books and pamphlets to be collected.

MANNEQUINS WERE POPULAR

At all the winter shows that we have been to, the fashion shows seem to be the most popular displays for the women. This was again the case, this year, when Accessory House held four shows a day during the show, and displayed the latest in clothes to packed audiences each time. At every performance it was a case of standing room only.

Above: Bernice Broome, one of the mannequins, shows a very smart summer dress, with accessories to match.

Rough Seas Pound Coastline

Some of the roughest seas seen at New Plymouth for many years were recently experienced, when the coast took a severe pounding from the angry waters. Fortunately not much damage was done, but the Harbour Board were perhaps hardest hit, when their pilot launch was holed and sunk at her moorings. Some hundreds of pounds worth of damage was done to the launch, which could not be salvaged until the old 90-ton steam crane could be brought into use.

Above: One of the huge breakers that swept over the breakwater during the height of this fury, when waves broke and scattered spray to a height of over 50 feet.

Below, right: An idea of the force of these huge waves is shown in our photograph of these 30-ton blocks that were shifted more than three feet by the force of the water.

Below, left: The moving of the 90-ton steam crane was a major work, particularly when it decided to leave the rails. Fortunately the task didn't prove beyond the capabilities of the Harbour Board staff, who worked hard to get the launch salvaged.

PILOT LAUNCH SALVAGED

After many hours of hard labour, the Harbour Board staff completed the task of salvaging the pilot launch, sunk by the recent heavy seas at Port Taranaki. Working long hours laying a special track for the board's 90-ton steam crane, the men saw the fruits of their labours, accompanied by torrential rain, when the launch was successfully lifted from the sea bed on a Sunday afternoon. Naturally there were hundreds of sightseers to watch the proceedings, they braving the elements to see this operation brought to a successful conclusion.

Crowds were nearly as wet as launch

A novel fashion parade was held recently at the Royal Hotel. It was organised by the committee of the Mananui Guide and Brownie pack. A good attendance thoroughly enjoyed the parade of children's clothes. The we models appeared expert at their job of displaying the garments.

Whitley Youth Club's Teenage Dance

Teenagers of the Methodist circuit turned up in large numbers to attend the dance recently held at the Whitley Youth Centre. Such a huge success was the evening, that many more dances of a similar kind will surely be held. The evening was under the control of a very capable M.C., Cran Gilmour. He kept the kids happy with plenty of novelty dances, and it was a joy to see these youngsters enjoying all the good clean fun.

Keen colts lined up for their race

Stratford's Queens Birthday Races

A total of 110 riders created an entry record, when they lined up for the Stratford Cycling Club's Queen's Birthday 25-mile Open races. With colts, juniors and seniors, the racing provided entertainment for all the morning, which unfortunately turned out to be a wet one. By the time the seniors lined up at the start, there was a steady downpour of rain. Despite these adverse conditions, some very good riding was witnessed.

Okato Boxing Tourney

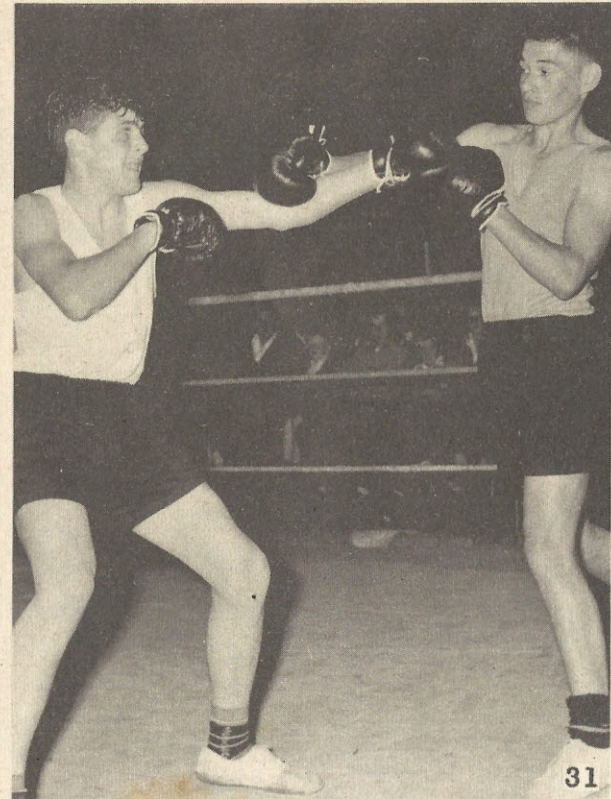

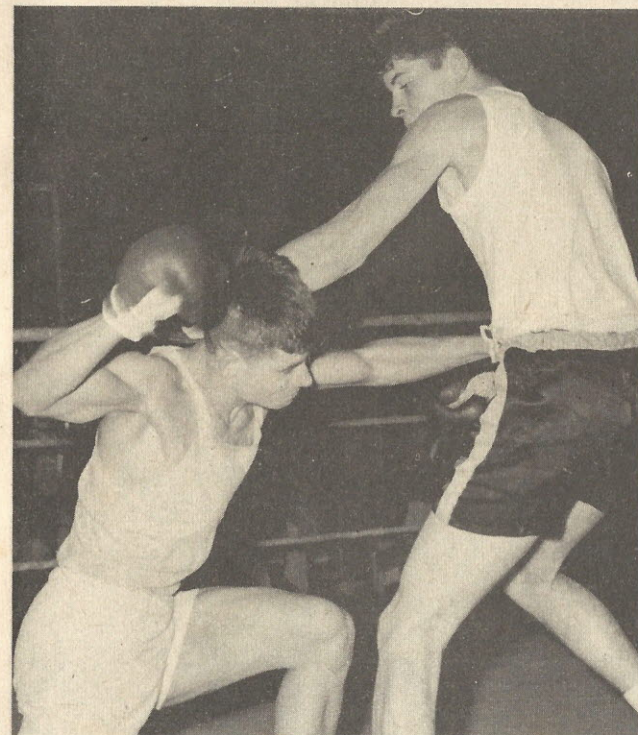

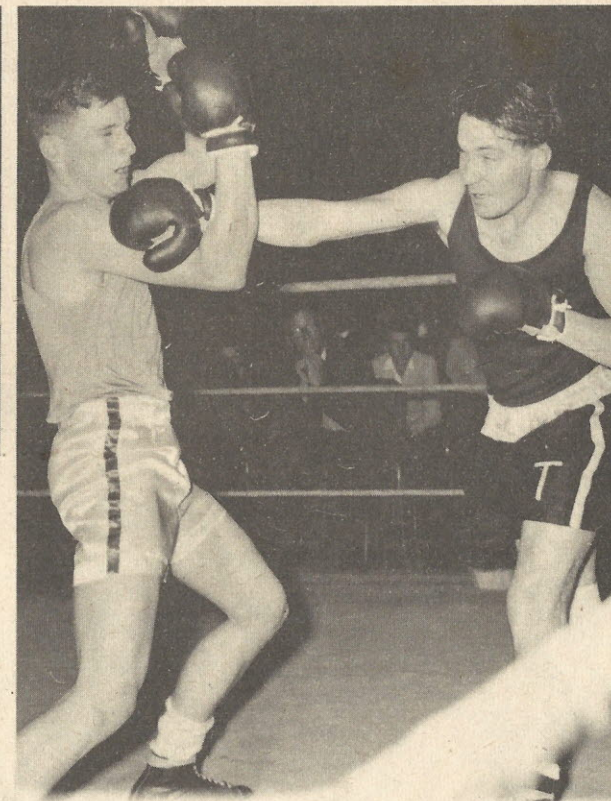

The standard of boxing at the annual tourney at Okato reached its highest level for many years. The programme was varied, with plenty of matches that produce the fireworks the crowd so dearly love to see, and these bouts didn't lack any boxing skill. It would appear on this showing that boxing in Taranaki is undergoing a marked improvement.

Eight bands from Taranaki, Waikato and the King Country played works from well-known marches to popular songs at a massed bands display at Rugby Park during Queen's Birthday week-end. "JUST LOOKING".....

Harbour Board engineers had a mammoth task on their hands when the board's 90-ton crane had to be moved into position to salvage the port's launch, and their task became more difficult as the crowds of interested spectators grew in numbers. Things didn't improve when the crane came off the rails, and the air thickened with unspoken appraisal and advice.

Above: Some children of the Frankleigh Park district of New Plymouth recently thought it would be a good idea to run their own street stall, with the object of helping the Chilean appeal fund. Success came their way, and they quickly sold out of all the vegetables and produce they had for sale. They had collected trinkets and unwanted articles from houses in the area, and wound up by having a complete sell-out, with a grand sum of £13.14.2 to hand over to the disaster fund through the Red Cross Society.

Below: While the kids above were out to help a disaster fund, the kids below were out for a good time on the railway that was run by the N.P. Model Engineers' Club. During the Queens Birthday week-end, the club members gave rides to any youngsters who came along. This is a real thrill for the children and a great asset to the town.

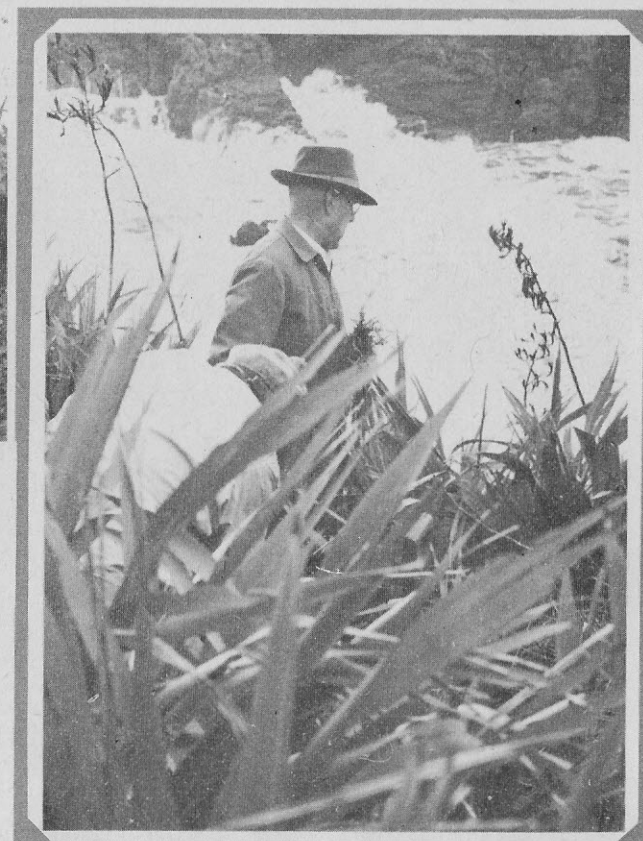

Rotarians' Beautifying Scheme

Accompanied by near-gale force winds and almost sub-zero temperatures, members of the New Plymouth Rotarians recently paid a visit to Round Rock to plant Pohutukawa and New Zealand cabbage-tree plants, with the idea of beautifying the foreshore. These hardy men intended to plant these trees on Schnapper Rock, but the tide helped by a stiff wind, didn't recede far enough.

Above: Making the ascent of Round Rock, the party found the climb an easy one.

Above, right: Mr W.P.Griffiths, chairman of the Centennial Park Committee, surveys the slope of the rock, while Mr G.Fitness plants one of the trees.

Golden Wedding

Right: Celebrating their golden wedding recently, Mr and Mrs Arthur Roberts had as guests at their party, their flowergirl and bridesmaid. To us, 50 years is an awful long time, and to hold a reunion with the rest of the bridal party is something of a record. Our group shows Mrs Roberts, Mrs W.Sharp-lin, the flowergirl from Tauranga, Mrs C. Cox, the bridesmaid, and Authur Roberts. The function was held at the home of Mr and Mrs K.G.Lattimer.

Cycling Club's 25- Mile Race

Under ideal conditions, the New Plymouth Cycling Club's Open 25 was a well-handicapped race, to say the least, as over 30 riders approached the finishing line in a bunch, and with only yards to go, A.F.Teruki (New Plymouth) broke clear to win by about three yards from D.Kingsford (Otahuhu).

Above: The Club's president Ernie Scott (second from left) with a group of clubmates ready for the starter's "Go".

Win for Taranaki

The traditional Queens Birthday Rugby match between Taranaki and Wanganui was once again won by Taranaki. It was a grand game, in which the northern team emerged the victors by 23 to 15. Conditions on the day were cold and dull, but a crowd of approximately 8000 thoroughly enjoyed the game from start to finish.

Exciting Brown Shield Soccer

Playing better football than ever before, the Taranaki team defeated a strong Bay of Plenty side 3-2 with a goal in the last seconds of the game. Very muddy conditions at Western Park made good football difficult, but the local team acquitted themselves well. Taranaki now play Poverty Bay in the final, which should be one of the best soccer games ever seen in the province.
