OUR COVER

Eltham's Queen and her two maids make a very charming cover for this issue. The carnival was concluded recently at Eltham, and was run for funds for the new swimming baths project. The queen was Margaret Satherley, and the maids were Janet Carseldine (left) and Anne Uienberg (right).

BACK COVER.

A picture that is probably one of the most popular in the whole of the province is the north face of Mount Egmont, taken from just below the North Egmont Hotel.

Modern Port Visitors

Two of the recent visitors to our port were, below, the "Wonosobo" a fast cargo ship which was on its first visit to Taranaki, and bottom, the Greek ship "Profitis Elias".

Interact Club Clears Bendall Walk

Members of the NPBHS Interact Club have been busy on Saturdays of late, as they have cleared over 100 yards of one of the city's most delightful walks, the Bendall Walk, which can be reached from Huatoki Road. Some very fine views are obtained, now that the walk has been cleared, of the mountain and bushland in this corner of the city. If you have an interest in this type of scenery, then a walk around this part will pay handsome dividends in its quiet scenic beauty. The boys of the club worked like trojans to get this project ready for the spring.

Arbor Day In New Plymouth

Arbor Day in the city was once again celebrated with the planting of trees and shrubs in the Waiwaka reserve. This is the third Arbor Day that trees have been planted in this part of the city, and the efforts of the past are showing to advantage now. In the very near future, this will be one of the prettiest parts of the city, with a comfortable walk along the banks of the Te Henui stream, past the Girls' High School and out on to Mangorei Road.

Above: Workers turn up along the path for the planting operations.

Above, right: The Mayor, Mr Honnor, and the deputy-Mayor, Mr Dean, made a dual job of planting one of the hundreds of shrubs in that area.

Below: Small for the size of the city, the crowd were none the less enthusiastic.

Beautification Of Our City

With the planting of azaleas, magnolias and other colourful trees and shrubs, the Waiwaka reserve will in the not too distant future be one of the show places of the city. The recent Arbor Day planting saw an army of willing citizens plant hundreds of these trees and shrubs, which will in time be a picture of beauty for the visitor and local alike. Above: Part of the crowd of workers listen to the short speeches made at the ceremony. Below: Then on with the job.

Above: Two years ago, this part, the entrance to Waiwaka reserve, was nothing but an eyesore. Now, with the celebration of the last three Arbor Days taking place in this area, a transformation has taken place, to make this a well-kept and scenic part of the city, thanks to the efforts of those willing citizens who have helped with the planting, and to the thought and imagination on the part of the superintendent of parks and reserves, Mr Goodwin.

Thrilling League Game

In one of the most thrilling games seen at Pukekura Park, Waitara, with star players injured, managed to beat the highly-rated league side Korodale, in a hard-fought tussle, in the central division final of the Rothman's £1000 tournament. Hilarious YFC Concert

Young farmers around this area recently organised a concert, which ran for two nights, to the delight of the many who saw this show. There's little doubt about the talent in the country areas, because these young farmers and the CGC members certainly provide "entertainment plus". We attended one of the shows at the Mangorei Hall, which was filled to capacity, and where the audience was thrilled with the class of entertainment provided.

Above: The evergreen operating-table scene was played to good effect by Russell and Nev Jordan acting as the cutter-uppers and Jeremy Thompson as the poor patient.

Right: "Cigarettes, chocolates, sweets!" And what a roaring trade Joy Brown and Lorraine Proffit did!

Taranaki Retains "Ranfurly Shield" Of Darts

Taranaki recently accepted a challenge from Kawerau for the Ben Hill Memorial trophy, which is the equivalent of the Ranfurly Shield, and finished the games with a sufficient margin to retain this magnificent trophy. **Above:** Captain Gordon Thompson of the Kawerau team hands the trophy to Shorty Howe, captain of the Taranaki team, watched by association secretary, Hilton Powell. **Below:** The Taranaki team, from left, back row, Tom Teruki, Stewart Josefski, Sam Harrold, Fred Gooch and Barry Christiansen; front row, Buster Caspersen, Alf Scott, Shorty Howe, Len Irving, Bill Gooch and Hilton Powell. Taranaki's Close Win Over Counties

The home team had a narrow, if somewhat fortunate, win over Counties recently. The game, played at a fairly fast pace, was particularly even, despite the score of 8-5 in Taranaki's favour. It was only a brilliant try under the posts by John McCullough which won the match.

Y.M.C.A. Father and Son Banquet

Highlight of this year's father and son banquet of the YMCA, after the food, was the talk, and showing of films of the recent visit to the South Pole by Mr Doug Ball. He showed the boys and their fathers some very interesting slides of his visit, which was thoroughly enjoyed by all present. Doug is shown, above, explaining the area, with the aid of a map.

Scouts' Trolley Races

Corbett Road, Bell Block, was the scene of activity for the trolley races organised by the Scouts. They chose a hill about 150 yards long, with a reasonable gradient for the races, and some of the carts exceeded 30 mph on their downhill plunge. Sum total of injuries received during this well-attended meeting was one grazed knee. About 600 people attended this very pleasant Sunday afternoon's entertainment, and we feel that this is the forerunner of many more races of this kind.

Only maintenance needed was an oil can

Dad did the maintenance while Junior rested

The trolley races were a lot of fun for the boys taking part, but Dad had his share watching Junior hurtling down the hill, or doing last-minute oiling, or fixing the lad's crash helmet. It was a very fine way to spend an afternoon, and we feel sure that there will be many more trolleys in the making for the next meeting.

Trolley Races Attracted Big Crowd

About six hundred people lined the course at Corbett Road, Bell Block, for the recent Scouts trolley races on a fine Sunday afternoon. It looks as though these races are going to become a feature of the Scouts' sporting calendar, since they proved so popular, with both Scouts and Cubs. The organisation for this event was first-class, with everything for the convenience of the boys - pits, secretaries, starters, loud speaker system, the lot. Above: This is the hill down which the trolleys hurtled, about 150 yards long, with a gradient of about 1 in 5. Below: View of the pits as the contestants get their trolleys ready for the big races.

Top: The changing face of Devon Street. This is a new block of shops just opened opposite the State Theatre. These four shops help to give the main street a cleaner and tidier appearance.

Above: The first development of industry at Bell Block is the levelling of the new McKechnie site on the Pairaiti road. Here is a development that has caused a controversy, but at long last, with the contract let, the buildings will be soon taking shape, and perhaps this area will encourage more industry to the city. There is no doubt about the choice of the site, which is situated right on the railway line.

Right: This is really nose to tail, or what can happen if the bloke in front pulls up too quickly. Fortunately, little damage was done in this case, but following too close can always be a danger and should not be practised.

Huatoki Guides Try Out Danish Dishes

During International week for the Girl Guides, the members of the Huatoki company decided to have a Danish night. They invited a Danish-born woman, Mrs Inger Davies, to tell the girls something of her native land. Not only that, but the guides themselves had prepared an all-Danish supper. It was a very successful night.

Inglewood To Celebrate Diamond Jubilee

This year, Inglewood will be celebrating their Diamond Jubilee as a borough. The colony of the town was founded about 1875, when it was nothing but thick bushland, but today, it is one of the province's most thriving townships. The actual celebration day will be Saturday, September 28th with the biggest-yet "Greatest Show on Earth". The organisers have devised an excellent programme which starts with a parade of over 30 floats to Jubilee Park, plus attractions like Peter Snell in a record-breaking attempt, and other top-rated athletes, also a world famous troop of acrobats. This will doubtless be the biggest day in the history of Inglewood. Above: Here is Inglewood at about the turn of the century, and below, is a photograph of the present day modern array of shops in the main street.

Inglewood—Old and New

Above: Here is Inglewood, shown in this photograph, taken about 1890. The town in those days was nothing more than a collection of houses, with little in the way of industry to make the town grow, except perhaps farming which at that time was beginning, as the settlers hacked their way into the surrounding bush. **Below:** Junction Road, Inglewood, as it is today, will be suitably dressed for the forthcoming jubilee.

Jubilee Will Recall Old-Timers To Inglewood

Included in the forthcoming celebrations in Inglewood will be a re-staging of the first settlers in the district. The parade and the day's celebrations promise to be one of the most colourful that the town has ever seen....so book the date now - it is September 28th.

Above: First Mayor of Inglewood, Mr. B.H. Nicholls, who was first citizen from 1903-1905.

The Dead-End Kids?

World famous hypnotist, Janus Vroegryk recently visited the NP Opera House. To say that the show was first-class would be putting it mildly. It is just fantastic what a hypnotist can do to his subjects. Our picture on this page shows just how the show started, with the lads flat out on the stage, and the girls having a quiet "snore off" on chairs.

Now who's laughing at who? The hypnotised, above, are having a good laugh at the audience, below. And what we want to know is who had the biggest laugh? Hypnotist Janus Vroegryk certainly made his subjects perform some fantastic feats, which will have made one or two feel bright "Charlie's" on the following morning, but it was all in good clean fun, and thoroughly enjoyed by audience and "patients" alike.

Plenty of Willing Subjects for Hypnotist

Tawa and Spotswood Colleges Music Festival

Something new in inter-college visits was recently put into practice by Sportswood and Tawa (Wellington) colleges. Instead of the usual games programme, a music festival was held, in which both colleges combined to make up a very fine massed choir. The schools also rendered individual items with their own orchestras and choirs, to the delight of a packed school assembly hall. Our picture on this page shows the massed choir of both colleges performing under the baton of Mr F. Beevers.

South Seas Show A Success

The recent touring South Seas Show at the Opera House was an unqualified success. With the theatre filled to capacity for two nights, those who attended saw entertainment of a very fine variety, with hula girls and all the South Seas' attractions in entertainment form.
