Taranaki Women Trounce Wanganui

This season, Taranaki are a much improved team, and with their recent 6-2 win over Wanganui, they can be well proud of their performance. Playing aggressive hockey, the home team gave their opponents no chance to settle down to their usual good game. The Taranaki forwards were often brilliant with their stick work to break the Wanganui defence. Above, left: The ball goes goalwards for the third of Taranaki's goals. Above, right: Tui Wisnewski gets the ball away from her opposite number, with A.Moorhead waiting the loose ball. Tui played brilliantly throughout. Below: Despite the packed goal, the Wanganui defence was no match for the fast-moving home forwards.

Celebrations

Waitara Beaten In N.I. Final

Outplayed in every department, Waitara lost the N.I. final of the Rothman £1,000 tournament at Pukekura Park recently. Southern Districts (Auckland) proved far too experienced a side for the Waitara team, who never gave up trying, but were no match for their fast and experienced opponents.

SPRING IS HERE!

Yes, folks, Spring is here! With pictures like this one, who can dispute it?

A lamb, a pup, and spring flowers. What more evidence could there be? While other parts of the country are still in the icy grips of winter, here in Taranaki we can start shedding our woolies.

STRATFORD'S NEW CIVIC CENTRE

Above: The new civic centre at Stratford, next to the War Memorial Hall, is fast nearing completion. The building has a modern, but workmanlike, look about it, and will fill the needs of the people of Stratford for many years to come.

Okato DHS Girls As Mannequins

"House full" signs were out for the recent fashion show at the Okato High School, when pupils paraded their own-made ensembles, and enjoyed a demonstration from professional Gwen Gill of Auckland. For women, the show was a most enjoyable one, as the theme was for the home dressmaker. The audience was instructed on pattern cutting and choosing of dress materials, plus a paradette by Miss Gill, showing some of the clothes that had been home-made.

Weekend Course For Taranaki Firemen

Firemen from all brigades throughout Taranaki recently attended a week-end course in New Plymouth, for the prime purpose of keeping them up-to-date with modern fire-fighting techniques. One of the most interesting parts of their course was a visit to the New Plymouth airport at Bell Block, where the airport fire officer explained the latest methods in firefighting of crashed aircraft. Above: Here foam is being pumped onto some burning oil waste, which represented a crashed aircraft. In the picture below, airport fire officer A. Scott is shown addressing his very interested audience.

Waitara Kennel Club Parade

The Waitara Kennel Club recently held a ribbon parade in conjunction with instructions re the showing and handling of dogs at these parades. Some very valuable knowledge was imparted at this meeting to those who were showing dogs for the first time. The Waitara club is a comparatively new club, but it is none the less thriving. Above, left: Mr H. Russell, NP, shows some points to Mrs Sandford. Above, right: Kevin Waters and an Irish Setter that made a fuss of him. Young Mr and Miss N.Z. Contestants

New Plymouth Jaycee recently conducted the regional finals of the sponsored Mr and Miss NZ contest. The entries from this area were eight girls and eight boys, not a particularly good response from the province, especially when we think there is so much talent about. Above: Four of the girl contestants. From left, Diane Brough (Taumarunui), Susan East (NP), Jean Carryer (Stratford) and Hilary Stenning (Hawera). Below, from left, Wendy Drewery (Oakura), the eventual winner, Gaele Harrison (Kapuni), Jan Barclay (NP) and Colleen Edgecombe (NP).

Taranaki Jaycees Choose Mr and Miss N.Z.

As a prelude to a film show at the Opera House, the New Plymouth Jaycees concluded their sponsored Mr and Miss NZ quest with the semi-final elimination to find the eventual winners. In the picture above, the winners are being congratulated by the NP Jaycee president, Mr Neil Harris. The judges had a hard time in finding the winners, but decided unanimously for Wendy Drewery (Oakura) and Tom Kardos, a pupil of the NPBHS. Wendy is a pupil of the NPGHS. Good luck in the national finals!

Tame Soccer

Wanganui had some of its star players missing, and so did the Taranaki rearranged team, in the annual soccer clashes. Taranaki registered wins in both grades, the A team by 2 goals to nil, and the B team by a much larger margin.

Many spectators felt that after the promising prospects offered by last season's performances, soccer had become a bit of a farce since the selectors have been rearranging the teams, often bringing in untried players and relegating proved performers to the sidelines.

Johnny Marshall, pivot of the reps for many years, was relegated to the side line...why?

In the B game Lotsie Varga, also relegated from the A team, played the best football of any in either game. Here he scores another goal for the B team to make his personal tally five.

Life Boys' Activities

A get-together for the boys and their parents was the highlight of the month for the boys of the 5th NP company, St. Margaret's Life Boys. The evening was highlighted by the presence of the senior sergeant of the NP police, Mr Waller. He gave the boys and their parents a very interesting lecture on police work. Senior-sgt. Waller also had the honour of inspecting the boys, and commended them on their smart turnout.
