

## "Miss Mops" Clean Devon Street Lights

Big clean-up day for the under-verandah lights in Devon Street, when five Miss Mops were let loose one recent Saturday. They certainly got through their job quickly and were a happy team as they cleaned lights from Blagdon Road, right through to Fitzroy. Below: Trio of Miss Mops are Carol Walker, Shellwin Chew on the ladder and Judy Bretherton. Right: Jan Bretherton holds the ladder for Bernadette Kalin.

### GETTING HITCHED?

We're getting a bit embarrassed at Photo News with all the weddings taking place, and we don't want to refuse any bride who wants to see her wedding picture in our magazine. We've had many requests for picture publication, right up to the middle of next year, so we would advise you to let us know...if you don't, then we MIGHT have to refuse your wedding pix. Photographers who freely supply us are Vogue Studios, NP, Norman Squire Photography, Fitzroy, Henry McGee, NP, and David Paul, Hawera. If your wedding is booked in with any of these photographers, then your picture will automatically appear in Photo News.

# Miss Inglewood Contest

This contest was recently held for the third successive year, and was organised by the Inglewood Dramatic Society to help in raising funds for its theatre. Ten contestants faced the judging panel and a stiff task they had with the quality of the entrants so high. Above, left: Winner was Josephine Biesick, who was presented with a cheque for \$40 by Miss Brooklands, Lorraine Martin. Above, centre: Second place went to Polly Cooper, an American Field scholar attending the Inglewood High School. Above, right: Anne Kilpatrick gained third place in the contest. Below: Other contestants were, left: Jan Kay, centre: Jenny Scott, and right: Lynda Adams. Bottom, left: Allison Mackie, centre: Mavis Muggeridge, and right: Valerie Hildred.

Last of our ten contestants was Patty Nicholson shown here with a sweet smile for our photographer.

Right: Congratulations for runner-up Polly Cooper from Mr Sutherland, and below, right, from Miss Brooklands, 1968, Lorraine Martin.

## N.Z. BATA TROPHY TO NGAERE CUB GROUP

It was a real night for celebration for the Ngaere Cub group when they were presented with the Bata Award as the top pack in NZ in this particular competition, which involved making a log book of two nights spent in camp at Huinga. **Above:** These are the boys for whom the celebration was held. From left: Stephen Lawrence, Grant Johnson, John Arthur, Steven Gray, Grant Bowling, Brett Sangster, Russell Martin, Eugene Rukuwai and Kevin Crowley. The leaders are Sadie Rukuwai and Maureen Styles. **Below:** District Commissioner David Lind-Mitchell presents the Bata trophy to Brett Sangster, and **right,** congratulates him after the presentation of a number of certificates.

**Above:** The smaller fires started in the recent demonstration were easily extinguished by the smaller appliances, but one thing apparent was that you have to have the right appliance to fight the fire. We feel sure that much was learned during this very interesting demonstration. **Right:** Hundreds of gallons of old burning oil made an impressive sight as the black smoke billowed up towards Paritutu.

## FAITHFUL SERVANTS

**Below:** The Shell Oil Company recently made presentations to three of their staff for long service. The awards were made by Mr Des Carroll, distribution manager for NZ. From left, here are the recipients: Jack Williams, 10 years, Alan Rice, 20 years, and Dick Krutz, 10 years.

## FIRE EXERCISE AT PARITUTU

A very realistic exercise in fighting types of oil fires recently took place at the base of Paritutu, with fire prevention officers from most of the larger companies in the area attending. Many of them took part in the exercises in a practical way, putting out many of the fires started by the brigade. Above: It was a cold day, and the large fires started for demonstration purposes were welcomed by the cool bystanders. Below: Hundreds of gallons of oil go up in smoke, to be attacked and extinguished at will by the demonstrating firemen. Bottom: Application of a powder extinguisher made short work of the raging blaze.

## U.S. Venture for Victory Touring Basketballers

The Venture for Victory basketballers from the USA are young men on tour who carry the Christian message by example on and off the courts. On their recent visit to New Plymouth they were entertained to tea at St. Andrew's Hall by members of Bible Classes of every denomination, with a good muster present. During the session several members of Venture for Victory gave items, plus a talk on Christianity. Following the tea, they went off to the YMCA to play a team of New Plymouth men. Above: At the tea, we took a few photographs. Here two Americans, Dave Smith and Paul Wood, talked to Vivienne Manning and Robyn Moore. Above, right: Coach of the Americans, Bud Schaffer, took tea with YMCA president Mr Magnus Hughson. Right: Fiona Mackenzie and Denise Cameron enjoy the company of Jay Pierson. Below: One of the items by the tourists was given by Dave Smith, who had only recently arrived from the Phillipines.

Quite naturally, the American basketballers weren't over-troubled to beat the combined New Plymouth team by 109-41. There's one thing about our boys, they rattled up a better score against these formidable opponents than most other provincial teams did. Above, left: Bruce McDonald pops one in the basket and there's nothing either Brian Goodwin or Warwick Proctor could do about it. Above, right: Paul Wood leaps high to pass the ball over the head of Peter Betts. Below, left: Another goal being scored, but this time Brian Goodwin was on hand to thwart the effort. Below, right: Peter Betts and Warwick Proctor couldn't do much about this one either.

## EDUCATION BOARD CENTENARY

The Taranaki Education Board has recently celebrated its centenary. Most of the celebration week was marked with various functions at schools, but the main event was a get-together at Highlands school hall, which was filled for this occasion. After the informal part of the afternoon, the inevitable cup of tea followed. Later in the evening the occasion was marked with a more formal function. **Above:** Chairman of the Education Board, Mr M.G.B. Harvey, was the first speaker with a welcome to all. **Below:** This was the scene at the crowded hall, with not one seat available.

# STRATFORD PRIMARY HANGI

We know that a hangi at school is nothing new, but it is always a delight for the children, besides having some educational value, and this was the case at the Stratford Primary School recently, when all the younger children had a hangi lunch out in the open air. And the good food those children tucked away is nobody's business--they must have hollow legs!

Above, left: Hue Ratu and Mr Greenhill begin to open the ground after the food was cooked. Left: And Sue Black, one of the teachers, was ready to take the meals for the children. Below, left: Mesdames Coleman and Milner with Sue Black start the carving. Above: Everything was ready as far as the children were concerned, but Mrs Coleman waits for the first of the food to arrive. Below: Mrs Savage's hands out tucker for Thomas Patton and Steven Jordan.

What a wonderful show the Spotswood College pupils put on! It was corpses and comedy dished up in a really professional manner to two full houses of audiences who were about as appreciative as any we have seen in the city. And the applause and appreciation were well deserved, for we thought this comedy-thriller a perfect choice of play for these enthusiastic young actors. Above: The two Misses Brewster were a couple of delightful old ladies--they were Shelley Rae and Jean Menzies. Below: Playing their parts to perfection were Mark Pritchard and John Tullet. Above, right: Margaret Tucker and Steve Mason. Right: Steve Mason discovers the awful truth about the window seat. Below, right: The Misses Brewster and Doctor Einstein.

## "ARSENIC AND OLD LACE"

Above, left: Disfigured Jonathan Brewster, played by Graeme Marshall in the Spotswood College production of Arsenic and Old Lace, was a part that called for a strong voice and a portrayal of the weird. Graeme had all these qualities. Left: John Tullet and Margaret Tucker. Top, right: One of the lighting crew spent all his time up in the roof directing lights in the right direction. Above: Here the Misses Brewster try to corner another victim.

## PRIMARY GYM CHAMPS

The Inglewood High School gym was filled one Saturday recently for the North Taranaki schools' gymnastic champs. The South Taranaki section was held in Hawera on the same day. Something like 500 children took part in the champs, and from what we saw of the youngsters, it would seem that there's a terrific amount of enthusiasm and popularity for the gymnastic sports at this moment. Each year, these champs get bigger and bigger—proof of the popularity of the sport.

Helping in the rise in popularity is the fact that Taranaki can now boast some very fine gymnasiums, which are used only for what they were built. One such building is that which housed these champs, the Inglewood High School's gym.

**Above:** Section of young girls line the walls and wait their turn to perform their floor exercises. **Left:** J.Valentine, Vogeltown, competes on the bar. **Right:** M.King, St.Pat's, Inglewood, was very sure of herself as she performed her set exercises on the low bar. **Below:** Waiting for their turn on the bar is this group of young girls.

## JUNIOR REP SOCCER

Good thing these inter-city games, especially when they involve the younger footballers. It is the type of game that engenders the necessary enthusiasm, creating competition among the boys for the coveted places in their city's team. It was not such a successful weekend when we had a visit from the Hamilton boys, being beaten in three grades, but it was successful from the point of view of the sport and the friendships made during these enjoyable visits. Above: Paul Christiansen (in the halved jersey) gets in between two Hamilton attackers. Below: Goalie for the 11-year-olds was Peter Winter who played well under pressure. Above, right: Glenn Dodds and Wayne Tuki in a ballet act. Right: Hamilton attacker heads towards goal, but is thwarted by Andrew Fox and Paul Christiansen. Below, right: Peter Winter saves a low one from the Hamilton forwards.

Above: John Skipper, left, moves in to tackle a Hamilton player with the ball at his toe. Above, right: Barry Read in the 12-year-olds has the same sort of problem, but moves in to attack. Right: Clive Erueti moves round to cover the NP goalie, J.Lesseur. Below, right: Though only small, David Mackay gets his pass through to his team mate. Below: Best performance of the day was perhaps the sound play of goalkeeper J. Lesseur, backed up here by Mark Adams, while under pressure from three Hamilton players.

Future home, Inglewood.

## INGLEWOOD'S NEW GREYHOUND TRACK

After more frustrations than would be tolerated by any other club, the Inglewood Greyhound Racing Club has at last got its own home. This fine track is being made on the corner of Lepper Road and the main south road, just outside the township. It is a credit to the enthusiasm of the members of the club that this track is taking shape, and it is the smallest greyhound club in NP to own its own track. The cost, quite naturally, was great but by the efforts of the club members, the club has jumped every hurdle put in its path, and is likely to have the new track in use for the first meeting at Labour Weekend. **Above:** General view of the track. **Right:** One of the many helpers was Kevin Peters. **Below, left:** Father and son combination workers were Horrie and David Loveridge. **Below, right:** Bill Dean, Dave Manby and Ivan Cobain make sure everything is straight.

# FRANCE THUMPS TARANAKI

Not since the 1950 British Isles tour have Taranaki been so badly mauled by a visiting international side, until their encounter with France last month. It was a great game, with plenty of excitement, and good moves coming from both teams, right up to the final quarter of an hour, when France unleashed attack after attack, which resulted in two converted tries to them, pushing their winning margin to fifteen points. Above, left: The two captains, Elie Cester (France) and Alan Smith (Taranaki) lead their teams onto the paddock. Above, right: One of Barry O'Dowda's kicks went over and the young fry on the cycle track danced with glee. Below, left: Jean Berot had Taranaki running the wrong way after a switch in play. Below, right: Trevor Jenkins about to get his man.

Above: Taranaki half-back Dennis Wards was about as sound as any of the Taranaki players, in that he was always looking for work. Above, right: Brian Muller has got the ball, and by the look on his face, he's going to keep it! Below, left: Taranaki forwards went well for the first spell, and part of the second, but then they crumbled. Below, right: Ian Eliason holds the ball in the tight.
