OUR COVER

Odd-looking chaps aren't they? None the less attractive though. These sculptures, in the foyer of the La Scala restaurant, are the inspiration of New Plymouth sculptor, Don Driver. We have shown them here with a figure more to our liking...that of Donna Way, who shows that the figures are real "squares".

BACK COVER

One of the popular views of the mountain is shown here taken from the top of the Waitara hill, from the Manukorihi Pa.

Post Office Social Club Fancy Dress Evening

Nearly a hundred members and friends of the Post Office Social Club recently attended a well-organised Fancy Dress evening at the Omata Road Hall. Here are some of the revellers.

Commissioner Presents Queen's Badge To Daughter

Commissioner Mrs E.M.Kitchingman recently had the very great pleasure of presenting a Queen's Guide badge to her daughter Maree. This certainly was a big thrill for a mother, and we join in the host of congratulations received by Maree. In the picture above, Maree smiles as mother presents the badge, watched by District Commissioner Mrs P.M.Blackmore and Capt. M.Barkla. Below: This is a group of the Akoranga pack, only 2 years old as a pack, photographed on the night of the presentation.

Giant-Killers Beaten

Waitara, the giant-killers of the 1965 soccer season, ended their run of successes in the Chatham Cup when they went down narrowly 2-0 to Napier Rovers recently. The Waitara team, on the way to the quarter-final, had beaten Moturoa, a team that has dominated the soccer scene in the province for many years. Then it travelled to Wanganui to beat a much-fancied side there. With just a little more polish, they could have gone further. Pictures here are of the game against Napier Rovers.

Winter Show Candid

Right: Something new in show stands was the display put on by the local branch of the Boy Scout Association in the Queen's Hall. We hope it fulfilled its purpose and drew a lot more recruits to both the ranks and to the leader class.

Below: The most interesting exhibit in the Hall of Industry was that of Eclipse Wire. Theirs was a show that had movement and interest.

Below, left: Gary Vinsen was a fairly busy man demonstrating a knitting machine. The working of these machines never fails to hold the attention of most women.

Below: Another stand had a television camera projecting one's image onto a screen. This amused both grown-ups and youngsters alike.

Above: Saturday morning saw a very small crowd in the Hall of Industry.

Right: Sewing machines held the attention of many of the young ones.

Below: Candy floss for the youngsters and a ride on the roundabout.

Below, right: Sandra Jamieson and Christine Young helped with the arranging of the dolls at the Saturday morning show. Compared with other shows, the entries were disappointing.

Above: One of the things which attracted a lot of interest was the miniature car race track. This was a well-planned affair and our compliments to the club for organising such a show.

Below: Rides on the roundabout were the highlight of a lot of the children's visits to the show.

Right: Contemplation!
Below, right: Even Mum and the children showed interest in milking machines.

Roving Camera

Above: Nearly ready for the Springboks' visit is the stand at Rugby Park. The flags were up recently when the contractors had put the finishing touches to the roof.

Below: There was a grand Maori concert at All Saints' Hall, Eltham recently, sponsored by the staff of the Mount View Hospital in aid of the Eventide Home Lift Appeal. The hall was full for this fine concert by the Puke Ariki Club from New Plymouth, led by the Rev. Pihama, right.

Inter-Divisional Tourney

Top-grade players in all divisions were recently seen in action at the Waiwakaiho courts when the annual inter-divisional tourney was held. The pictures on this page were taken when the Central reps played Inglewood in the senior division. It was a good game, and good to watch, with plenty of action.

Kaimata School Jubilee

The Kaimata School recently celebrated its 75th jubilee, and it would appear that its pupils live a lot longer than most, judging by the number of elderly folk present. There were even first-day pupils returned for the jubilee, and even they didn't look their age. Must be something about the Kaimata air!

Queen's Birthday Tournament

Teams from many parts of the North Island recently took part in the annual Queen's Birthday tournament, organised by the Northern Indoor Bowls Association. It was a happy tourney for Fred Morris of Paritutu, who with his wife won both the pairs and fours competitions.

Peter Topping, Waitara, was third equal.

CONCENTRATION...!

The photographs on this page, taken during the final of the annual Queen's Birthday Indoor Bowling Tournament, show concentration used in this indoor bowls game. The final was a tense one, with shots changing by bowl after bowl, enjoyed by a good crowd of spectators.

Queuing for their supper was an orderly affair

The 4th company of the NP Life Boys recently celebrated its third birthday. They belong to St. Luke's Church, Westown. No absentees on this annual roll-call, and a good time, though a little noisy, was had by all.

Winter Show

A six-day show, rather than the usual four-day one of previous years, helped with the attendance record of over 20,000, but the show itself didn't arouse the interest that it aimed at doing. With a new departure, a hall of industry, and quite a good move too, it was anticipated that this year's show was going to be of more diversified interest. This was not the case, as the hall of industry proved to contain far less interest than was expected. Unfortunately, most of the manufacturing exhibitors could show only what they had made, rather than actually making their productions. We thought that a lot more movement and action was needed in this new venture. Then it will be the success that was hoped for.

JOHN MAYBURY SHOW WAS POPULAR

The John Maybury quiz session attracted more people than any one stand at the show. Crowds watched at each session, perhaps because the show was generous in giving away different products.

Top: John Maybury with his panel of twelve on stage, each of whom received a generous parcel for their efforts.

Wellbourn Scouts Celebrate Birthday

Wellbourn Scouts and Cubs recently celebrated their ninth birthday with a tea and a visit from Mrs E.P. Aderman, wife of the Member for NP, and some of the high ranking Scouts of the district. It was a good night for the pack, as they were treated by ladies of the Scout committee to plenty of good things to eat.

Right: Once the savs were on the table, the sauce saucer was the target for most. Here the Scouts get into the long-awaited supper.

Right: Equally at home were the cubs of the troop.
