Thrilling Soccer Match

The Taranaki soccer team this year wears a new look, with the accent on youth. And the first game of the season, against the strong Wellington side containing six internationals was a thriller for the 1500 crowd on the banks of Western Park. The result, a 1-1 draw, reflected great credit on the home side, and proved, once again that the so-called minor associations are Cinderellas of the NZFA. It was a great game, with the home players every bit as good as the over-rated Wellington team. Taranaki's L.Varga was the man of the match and strengthened his claims to international honours with a display ranked as the best in either team.

The Wellington goal was hard pressed at times

The only goal scored by Wellington had Taranaki's Gregory unsighted.

Above, left: Man of the match in the thriller against the strong Wellington team, L.Varga, in striped shirt, clears the ball from his lines, despite the attention of three Wellington attacking forwards.

Below, left: Another sound game was played by the Taranaki custodian, G.Gregory, as he tipped a good shot over the bar.

Super Fisherman

While the experts have been assessing tuna fishing off our coast, young Glen Bird went down to the wharf and caught himself a 13½lb. snapper. But to make things even worse, he only used a herring line, with a cockabully for bait.

Changes in Devon Street

Two more very important changes have recently been made in Devon Street. The Woolworth store is to be extended, and in doing so, the builders had to put the front up, consisting of pre-made slabs, on a Saturday. The mobile crane was busy most of the day as it lifted one slab after another into position, shown in the two pictures above.

Below: Then one Saturday morning the City Council staff came out and changed all the white lines down the centre of Devon Street. At first one wondered if some mischievous person had been abroad on the previous night, but at a second glance, the lines were for the easier movement of traffic at all the intersections. This view was taken from the Robe street corner.

Veteran Lady Golfers

There were over 100 entries for the annual Veterans' golf tournament at Stratford recently. The weather was not the best for golf, but with the usual women's intuition, many types of head-gear were in evidence to keep out the chill wind blowing from the mountain. This tournament is a well-organised one, and attracts veteran lady golfers from all parts of the province. Above, left: Two players check their score cards while waiting to get on to the next hole. Above, right: Two more players take time out to do a spot of checking. Below, left: Mrs L.Lewis (NP) drives one along the ground. Below, centre: Mrs A.C.Walker (Stratford) made a better job of it. Vintage Car Rally

Nearly twenty old-timers recently entered for the New Plymouth Vintage Car Club's rally. Machines dating back to 1914 were starters for this social event. These old cars certainly pull in the interested visitors, as onlookers, young and old, show a terrific interest. In the main, the owners have kept these antiques in spotless condition, some better than the day they were new. **Above, left:** Miss Sue Matthews (NP) in her 1927 Austin seven sports car. **Above, right:** A 1926 Ansaldo, entered by a Palmerston North enthusiast. **Below:** Chief interest centred around this 1914 Model T Ford, kept in absolutely spotless condition and owned by Ron Duley of Norswood.

Title Bout To Keene

The professional NZ middleweight title bout, recently fought in New Plymouth, provided few fireworks for the fairly large audience at the Trades Hall. It was a bout that lacked the usual action of the heavyweights, and only came to life when the crowd showed their hate of Barry Keene, the Auckland holder of the title. Keene won the bout by two falls to one.

With Roy at the bottom, this knot took some untying.

Car Club's 9-Hour Trial

Nearly fifty competitors, from all parts of the country, recently took part in the Taranaki Car Club's nine-hour trial, over a course of nearly 200 miles of the roughest roads which could be found. Many of the entries either lost their way or missed out on check points along the way. This annual event continues to be one of the most popular with NZ car trialists.

League Tournament

The annual Queen's Birthday Rugby League Quadrangular Tournament, held at Pukekura Park, NP, was won by Waikato, who beat Wellington 22-2 in the final game. Taranaki didn't fare too well, as they were in turn beaten by Wellington. Some very good football was witnessed by the large crowd that was present at the park. Photographed on this page are some of the incidents in the Wellington, (in black shirts) game against Taranaki.

Stratford C.C. "Open 25"

With glorious weather and a record number of entries, the Stratford Cycling Club's Open 25 proved an outstanding success on the holiday Monday. In each of the four events, the handicappers had done a perfect job, as in each finish, a whole bunch of riders were close together at the end of these gruelling races. **Above:** The finish of the 25-mile junior open. One man, J. Ludlam of Taumarunui, won from a bunch of about twenty riders by only two lengths. **Below:** Almost the same thing in the A grade colts. IRONING OUT MAHOENUI HILLS

For many years motorists have had to put up with miles of sub-standard highway over the Mahoenui hills on the way from New Plymouth to Auckland. But with the reconstruction work now being pushed forward, the near future holds out the prospect of a first class road over the hills. This photograph shows work in progress two miles north of Mahoenui township. At present only about five miles remain to be reconstructed.
