## Waitara Waitress Derby

Part of the week-long celebrations at Waitara was a waitress derby. This attracted more than a dozen entries from various firms in the town. Among the entries were some which were severely handicapped by weight along. Had this been a weight-for-age race, then we know a couple of bowlers who would have been in the first three! **Top:** Contestants discuss tactics before the start of the race. **Above:** Line-up of the swiftest waitresses in the town. **Below, left:** Cripes! # Women's Open Bowls Tourney Winners

We don't know if its Mooloo, luck, the greens, or just skill and experience, but Mrs Zo Greenfield of the United Club, Hamilton, won the women's open tourney for the second year in succession. Her team certainly played good bowls on their path to victory, and no one would deny them their win. The final was a closely-fought contest with the last Taranaki team in the tourney, Mrs J. Maule's team from Patea. Above: Prizewinners line up on the Riverside green for the presentation. Below: The four from Patea. Above: Prizewinners line up on the Riverside green for the presentation. **Water Sportster**

One fine Sunday afternoon, we took a stroll to the end of the wharf at the port with a telephoto lens, and were amazed at the variety of sports enjoyed by different people. There were, of course, both young and old using the wharf for fishing, but besides this there were yachting, water-skiing, boating, canoeing and swimming.

Two-man power canoe...bet they had a ton of fun in the calm harbour waters.

## TV Sets Donated To Hospital Wards

It was a big day for the patients in wards one and three at the New Plymouth Hospital when they were each presented with a television set to while away those dreary evening hours. These are the first two sets donated, but another seven or eight have been promised, and it will not be long before every ward will have its own TV set. This has come about by the generosity of the general public, and particularly ex-patients. It is a comfort that we feel sure will be the most popular in the hospital. **Above:** The first set was presented to ward one by the firm of Crothall and Co., whose representative, Mr L.McKain, is shown standing with the board chairman, Mr H.Blyde. At right is the matron, Miss M.McDowell, and the ward sister, Miss J.Barclay. **Below:** The second set was donated by the Fitzroy Rotary club. From left, John Withers, vice-president, Bram King, president, and the chairman of the board, who received the set on behalf of the patients of ward three.

## N.Z. Surf Lifesaving Champs

The recent NZ Surf Lifesaving Championships got away to a bad start, when the beach at Oakura was found to be too dangerous for the first of the three-day meet. Huge waves forced a shift of venue to Ngamotu beach, where a very strong and annoying wind blew to hamper both competitors and spectators alike. Fortunately the weather improved and the championships were concluded on Oakura beach. Above: Maximum number of judges helped to avoid time wastage between events. Below: On the first day heats of the six man R & R were run. Here Fitzroy bring their patient out of the surf. Bottom: Small knots of spectators and competitors kept close together to avoid the strong wind.

Above: A fairly large surf was running for the two days that the championships were run at the Oakura beach. Here, a surf boat was swamped as the crew brought it in from the sea.

Below: Competitors in the senior surf swim race down to the water, before battling their way through the surf to the buoys.

Bottom: The paddle boards came flying in from the surf, but were not an easy proposition to get out on.

## Little Beggars

Now aren't they cute? Every evening in the Ward household in Omata Road, NP, the two family pets put on their best behaviour while mum cuts the meat for their supper. Isn't often a cat will beg, specially so when they are next to the canine fraternity, but these two were brought up in the right spirit and are the best of friends.

## Spectacular Speedboat Crash

At the recent regatta on the Waitara River, in the running of the 75ci North Island Championship, Newt Hudson, Riverlea, flipped and the boat finished upside down on the rocks on the river-bank. Fortunately Newt was thrown out, and had a fairly soft landing in the water. Here helpers push the damaged craft, Ortago, out into the water to be towed away.
