Stratford Remembers

Despite the poor weather, the Anzac parade at Stratford was as large as any yet held. Headed by the local Pipe Band, the parade marched to the Memorial Hall for a service of remembrance.

N.P.O.B. Midgets Sign On

Great excitement was seen at the OB clubhouse at Vogeltown Park, as the midgets signed on for the 1966 season. There was a good muster, which promises well for the coming season. Two stalwart members of the club, Derek Buttimore and Leo Williams have the control of these boys, and a good job they are doing too.

Big moment for some...could these be budding All Blacks of the future?

Australia's Annie Oakley

Nineteen-year-old Narelle Long, of NSW, Australia, was a competitor in the recent open rifle championships at the Waiwakaiho range. She certainly lent a touch of colour to the championships with her bright yellow, tight-fitting slacks, and attracted many eyes in her direction. It turned out that Narelle was the most successful woman competitor at the champs.

Attractive Football In Moturoa v. Thistle Game

There was some very attractive football played in the first Western Districts League game of the season between Moturoa and Thistle from Palmerston North. The visitors came to town with a reputation, but were held to a draw by the local team. A feature of the game was the fine goalkeeping of Ken Dalton, the Moturoa custodian. A little more punch on the Moturoa right would make them a real force to be reckoned with in the league. Above, left: Ken Dalton missed this one, which resulted in a goal for the visitors. Above, right: There was no mistake about this one, Ken tips the ball over the bar to save a certain goal. Below: Three Thistle forwards, and not a defender in sight, as a shot goes goalwards.

Busy Port Taranaki

Just lately, the Taranaki Port has been a hive of activity, with as many as four ships waiting for a berth. This no doubt shows the need for additional berthing facilities. Berthed are the overseas ships Castor, Iberic and Port Macquarie, and the coaster Holmwood. Off port is the overseas vessel Exning.

N.I. 250 Scramble Champs

Beach Road, Omata, was the scene of the recent North Island 250cc Scramble championship, with plenty of riders competing from Palmerston North and Wanganui.

Kite-Flying Cubs And Scouts

The annual kite-flying competitions of the local Cubs and Scouts proved a great success this year. The lads had spent a long summer in perfecting their flying and making techniques. The number of flying successes this year was far greater than it had ever been. The most notable thing about it was that the kites had been made by the boys themselves... with a LITTLE help from their parents.

New Plymouth Trots

The executive of the NP Trotting Club were a worried lot on the morning of the recent meeting, with inches of rain the previous night, and more rain on the morning of the meeting, but then the sun broke through for a perfect day's racing. A good crowd and particularly good fields helped to make the day a successful one. **Above:** John Flon winning the Taranaki cup, main event on the card. **Below:** President Alec Guy, accompanied by the Miss New Zealand contestants and the executive out in the birdcage at the presentation of the Taranaki Cup. **Bottom:** Two pictures taken during the racing shows the large fields which entered for this meeting.

Big Machine

Below: This is the machine which lays the tar-seal on the new airport at Brown Road. Unfortunately, the weather has been against operation just lately, but completion of the project is in the not-too-distant future.

Below: Top marks this month go to two members of the Scout movement for their effort in the recent "Bob a job" campaign. Winner of the Scout prize was Michael Macdonald, a member of the St. Joseph's troop, who collected over £7 in return for a lot of hard work. Winner of the Cubs' prize was Craig Farrant of Oakura. Here then are a couple of young fellows who are going to be a credit to their community, no matter where their travels take them. Congratulations boys on a very fine effort.

Right: Practical jokers have been busy down Stratford way. Frankly, we are not quite sure whether we are for or agin 'em. When we saw this notice on the southern side of Stratford, it did bring a smile to our old faces, but on second thoughts is this the right thing to do?

Below, right: Took this picture while driving around the city recently. And we know that we are DEFINITELY against this sort of thing. Not the cuddles of course, but the driving in a position from which one could not extricate oneself should a sudden emergency arise. Notice the arm right out of the driver's window? Say girlie your action could lose your boyfriend's arm, or even cause an accident which could help you to a long stay in hospital. If you must have that cuddle, pull in to the side of the road, we won't look, except with envy.

A Reminder Of Winter

Won't be long now before we see dear old Egmont covered in snow as shown here in this picture, taken last winter. It will serve to remind you, now that the weather is a little colder, of what is to come. We only hope that the new translator at the Hen and Chickens will be complete before the winter really sets in. This view is of the north face of the mountain.
