Bridesmaid was Josephine Grey and the best man was Philip Fleming, a brother of the bride. Future home of the couple will be Aria.

MUSIC FESTIVAL

Highlands Intermediate School recently performed to two packed houses their annual Music Festival. The festival is the culmination of the activities of the various music clubs that function during the school's club period each week. With exceptionally bright costuming and some really beautiful choral groups, the Festival will no doubt become an established part of the school's yearly entertainment. **Above:** The children performed an operetta "With Jockey To The Fair" with a continuity that is seldom seen on the amateur stage. **Below:** The finale, with the entire company on stage to render some excellent singing.

Another Bowling Season Starts

During the month of October, winter sports give way to summer sports. Not uncommon amongst the ladies is bowls. During the next few months, it will be a case of hubby getting his own tea and doing a lot of chores that he doesn't do in the winter. Having had his run of the Ranfurly Shield games, he now has to be content to let Mum have her turn of sport. Evidence of this was seen last month, when the club pictured her, Riverside, officially opened their green in the most perfect weather imaginable. Top picture shows the group of players listening to the opening speeches. Below: To mark the occasion, the women spread round the green and bowled to a kitty in the middle, with chaotic results. It was nearly afternoon tea time before the bowls had been sorted out. Nevertheless, a good time was had by all.

Brownie Revels

Recently, the Brownies from all over North Taranaki were entertained at a Brownie Revels held at the Central School grounds, Waitara. The girls were divided into groups, and sent off to a part of the compound that represented a Nursery Rhyme, where they played, and learned something useful while they were playing. Above: Caroline Cole and Suzanne Barden, both of Waitara, are taught how to plait by helper, Carole Sutcliffe. Below, right: Guide Brenda Cochran acts as Mary, Mary, while waiting for the next group to arrive. Below, left: Janice Chinnery-Brown, of the Huatoki pack, learns how to crawl through a dog-box.

Champion Horsewomen

The Stock and Station Agents' Cup competition, held last month at Stratford, was the first big event of the Taranaki Pony Club season. It proved a marked success for Ann Mullally who gained a number of points for the Stratford team, which won the trophy. Ann, pictured here riding Hassoon, makes a fine picture as she takes a jump in high style.

In with a BIG SPLASH

With the weather we have been having lately, the swimming season got off to a big splash. As many as 700 young people were to be seen in the pool after school hours and during the weekends at the Kawaroa Baths. Though the temperature of the water was somewhere in the vicinity of 60 degrees (a little cold for me.—Ed.) the kids seemed to be enjoying the first days of a summer that augurs well, if our recent weather is any criterion. This rather spectacular action picture shows how much water is displaced by the body when you plunge in, back first. The effect is clearly shown here by Marina Morris who spends quite a few off-duty hours in the pool.

Opening of Summer Sports Season

Blessed with glorious weather for this time of the year, ladies of the croquet and bowling clubs got away to a good start last month. The season promises much, as the greens seemed to be in better order and condition than they have been for a number of years.

Modern Visitor

The 3,400 ton motor ship Saracen which recently visited Port Taranaki makes an impressive sight as she is being loaded. Painted light green with a yellow funnel, she is built on the most modern lines, sleek, low in the water, with a look of an ocean greyhound about her.

Songs and Flowers

An outstanding show of spring flowers was on view at the New Plymouth Horticultural Society's annual show at the Agricultural Hall last month. Amongst the flowers were exhibits of courtyards by local women's organisations. The theme of these was popular song titles, and some very witty and interesting arrangements resulted. An Apology . . . and a Suggestion

Our apologies are due to some of our regular readers who were unable to secure their copy of "Photo News" last month. There are two reasons: the demand for "Photo News" increases every month, and at the same time import restrictions require that paper should not be wasted on unsold copies. We can assure readers that our wish is to make available sufficient copies to meet the total demand, but this is not always easy to estimate. To make sure of your copy, and at the same time help us, we suggest that you should PLACE A REGULAR ORDER WITH YOUR NEWSAGENT OR SALES AGENT.

Massed Choir

An impressive sight was witnessed last month at the Kaponga Choirs Festival held in the Memorial Hall, when 360 schoolchildren formed a massed choir under the baton of Miss N.Martin, the adjudicator, and rendered a bracket of three well-performed songs. Thirteen school choirs took part and thrilled the audience of over 800 with excellent singing of some of the older and sweeter tunes.

Parents' Club Tea

Sons of the Sea

Any RNZN vessel is a welcome visitor to New Plymouth, as was the case when HMNZS Kanieri paid a brief call to the port last month. Great interest was shown in Kanieri when large numbers of sightseers made a tour of inspection of the ship. Pictured below, part of the ship's company man the ropes as the frigate tied up on a beautiful spring morning, with enough breeze to display the white ensign at the stern.
