CONCENTRATION!

Now just look at that little fellow, with bombs away, and tongue out, and a fervent hope that he can knock down one of the coconuts at the recent Bell Block Bonanza. There was a queue most of the day of children after the coconuts, and the promoters of the staff went through a few sacks of them.

Speedway Repairs

New Plymouth's Speedway has been a hive of activity over the past few week-ends, when members of the club have responded well to an appeal by the club president, Les Carter, to get the safety fence repaired. A host of workers were on the job, and replaced most of the old safety fence at the town end of the track.

The track too, has been resurfaced, and with a good programme arranged for the season, it looks as though we will have a very good summer of racing. The pictures on this page show some of the many volunteer workers at the track.

NEW CLUB RECEIVES CHARTER. The recently formed Toastmasters' Club of New Plymouth were presented with their charter at a celebration dinner in the Chequers Tearooms. The charter was presented by the chairman of the Taranaki Harbour Board, Mr H. Blyde, to the president of the Toastmasters' Club, Mr Stuart Hayton. Shown in our picture are from left, Ken Kennedy, chairman for the evening, Don McDonald, Mr Blyde, president Stuart Hayton holding the charter, and the Mayor of New Plymouth, Mr A. G. Honnor.

MARKET DAY. The recent Jaycee market day in the Queen's Hall with over twenty stalls drew a large crowd of bargain hunters. The general scene, shown below, was of crowds for most of the day, buying goods that seemed very plentiful and cheap.

Opunake Page

Above: The large Bush Gecko shown in the photograph above, was caught in the bush near Opunake by Mr H. Bradcock, who brought it home for study by the children of the Opunake Primary School. Being on display for a few days, the lizard had additions to her family, much to the delight of the children. Our picture shows the mother with her two young. All are life-size in the photograph.

Left: Work is proceeding on the new Catholic church at Opunake. Much of the framework is now completed, and in a short time interior work will begin. Built on conventional yet modern lines, the church will have a covered entrance.

Canine Obedience

Pukekura Park was the venue for the recent meeting of the Canine Obedience Club. Gaining in popularity, the club now has many youthful members who are learning much from the guidance of the instructors in the training and care of dogs. It was pleasant to see very young people taking such an interest and such infinite care of their pets. With more people taking advantage of this type of training for their pets, we feel sure that dogs would be thought more of as a pet than they are at present. A well-trained and obedient dog can be a joy to own. Above: Judge Bob Hannaford of Auckland eyes the obedience of Robin Gilliamene and his dog. Though sniffing, the dog maintains his place at his young master's side. Below, left: Every dog was inspected by the vet before being allowed into the ring. Below, right: Here's a pup which could be left by a single word of command, despite dozens of other dogs around him.

DOG PARADE

Right: Judge Bob Hannaford and Miss M. Powell in the ring. The judge was most helpful to the newer contestants with his valuable pointers on what should and should not be done.

Bell Block Kindy Fashion Show

Fashion shows always seem to be popular, and perhaps none more popular than the shows organised by the Bell Block kindy committee. Their most recent effort at the Fitzroy Hotel proved a sell-out of tickets, adding substantially to the funds for the proposed kindy in that district. The show itself proved very entertaining with some smart and sophisticated ensembles on view. Clothes for this parade were provided by Bev-Lynne Fashions.

Dare-Devil Riders

Engaged to ride at the Bell Block Bonanza the Inglewood Show was this team of dare-devil riders from Palmerston North. They provided at both places a superb show of skill on their machines, to the enjoyment of the crowds at both places.

Amateur Mountain Race

Despite the fact that entries for this year's amateur Round the Mountain race were well below average, this did not in any way discredit the fine ride of New Plymouth junior, Clinton Goodwin, who won the race in his first attempt. From Eltham he cleared out from the rest to be leading by almost a mile at Egmont Village. From then on, his was a tour, and he had no difficulty in holding off the bunch to win by a comfortable margin. **Above:** Start of the race, with Mayor A.G. Honnor at right, sending away Stratford's Ronnie Dye. These riders started 37 minutes before the scratch bunch. **Below, left:** All traffic was diverted for the start of the race. Secondary School Gym Champs

Hundreds of competitors from all the High Schools in Taranaki recently took part in their Gym championships at the Waitara Memorial Hall. The standard of work by the competitors was of the very highest order, and it was pleasing to see such enthusiasm for this sport. **Above:** Paula Stead, Waitara High School, is shown on the bar, and was the winner of more than one competition during the champs. **Below, left:** !.
