OUR COVER

Miss October "Photo News" is Tina Johns. She is an airline clerk and a graduate of the Irene Barr Modelling School. Tina lists her interests as sewing, swimming, skating and modelling. She hopes to make an overseas trip in the not too distant future and particularly wants to visit Honolulu and Tahiti.

BACK COVER. A hibiscus always has an exotic appeal and the red hibiscus pictured on this month's Back Cover is particularly appealing, if only for its delicate colouring and texture.

FROST IN SPRING

It may not be so unusual to have a frost in Spring-
time, but it was certainly unusual to have David
Frost visit us. He performed recently in the Opera
House and was ably supported by Julie Felix.
Julie's guitarist deserves special mention, for his
talent was the subject of much discussion in the
town for some days after the show.

Julie Felix was a very composed performer . . .

... but her guitarist stole the show

Frost - he kept the laughs coming

In serious vein . . .

... on New Zealand

... and on Politics. Frost, a man with serious comments to
make and many lighthearted ones too

Pictured on this page is the match Waikato v. Hutt Valley, which was the final in the week's tournament. Hutt Valley won the match to become winners of the entire tournament

"Well, at least I tried my best"

The action was fast, even if the ground was slippery and the heavy rain made for solid going

"Gee, I'm on my own. Where's the rest of the team?"

Racing up the field to help defend

UNDER-12 SOCCER TOURNAMENT

During the school holidays, for a week, the North Island Under-12 Soccer Tournament took place at the Racecourse in New Plymouth. On this page are pictures from the Possibles v. Probables match from which was chosen a team to represent the North Island at the North Island v. South Island match.

"Stand aside, it's my ball"

A few further vital yards of ground were gained by this kick

The very slippery ground saw many falls and some quite dramatic skids

With everyone converging on the ball, it didn't have a chance

High kicking

SCHOOL'S OPERETTA

The Westown School recently staged the Operetta "Gypsies' Reward." The operetta saw some very colourful costuming and all the children involved in the production obviously enjoyed taking part.

Seven of the children involved

Debbie Munro, Carol Putt, Josephine and Carol Fleming

'Gypsy King' Simon Hadlow

'Princess' Jennifer Gray

'Jester' Faille Currie

'Queen' Delys Williams

'King' Lindsay Fenwick

ENGLAND v. TARANAKI

One of the most exciting matches in the history of Taranaki rugby occurred recently when, in heavy rain, the Taranaki team played the English side and won. There was jubilation throughout the province as the news of Taranaki's deserved win became known. Here, on these three pages, are pictures from the gruelling match. The match that has given the Taranaki side new respect.

The rain made the going heavy and players were soon covered with mud

The match was fought hard but Taranaki was everywhere

Some fine tackling kept the English players under control

The English had their opportunities but they were effectively blocked by Taranaki

The English team tried but their opportunities were lost

Reaching high for possession of the ball at a lineout

Everywhere the Englishmen went, the Taranaki players were beside them. They gave nothing away and deserved to win

One of the many determined breaks by the English side

Another British break, this one short lived

Men fall like flies on the slippery, muddy field

Again the English try to break, but are effectively blocked by Taranaki

With the Taranaki triumph still ringing in our ears, it is well to perhaps ponder on why, after being trounced by all three New Zealand provincial sides, England went on to convincingly win the only test match of the tour

MOTUROA SOCCER BALL

The Moturoa United Soccer Ball was held a few weeks ago in the Star Gym. A good crowd attended the function and obviously enjoyed themselves. Some of those who attended are pictured on this page.

Roger Birch and Adege Urlich in happy mood

Beth Burbridge could have danced all night

D. Paul and Hans Holder in a light hearted discussion

Mr and Mrs D. Paul

Mr and Mrs Ken Parkes had a 'ball'

Ken Parkes and Robert Ritchie certainly did, even if they mistook the camera man for a karate exponent

David and Lynne Wisnewski

Ian and Edith Johnston and Mr and Mrs J. McLean
