Happiness Club Entertains

The New Plymouth Happiness Club entertained at the Bell Block Hall last month where they put on a skit on "Alice in Wonderland", which was well received by the capacity audience which turned out on a windy and wet night.

Variety with a Difference

The parents of the New Plymouth Girls' High School pupils put on a show with a difference last month when they staged a variety concert that had the customers in fits of laughter, besides raking in the shekels for a worthy cause. The parents' energy and enthusiasm was limitless in the effort to make the show a real laughter show, and a lot of fun and gentle borax thrown at the staff of the school, was taken cheerfully in the right spirit. A feature of the show was the continuity, even the scene-shifters joining in the hilarity.

The Taranaki Major basketball team beat the Taranaki Minors 36-19 in a fast and exciting game for the Shirley Bloor Cup at Opunake recently. An attendance of over 70 youngsters is regular at the YMCA Hall each Sunday evening. The club is run by the young people themselves, and the evenings, though a little noisy, are as orderly as one could wish.

The British Isles Rugby League team visited New Plymouth last month to play the local rep. side. The tourists gave a sparkling display of league football. They played fast and tough, and with the added advantage of weight, they severely beat the home lads. Despite the superiority of the tourists Taranaki never gave up trying.

You Can Help Us

In an effort to make your "Photo News" still more interesting, with a good overall coverage of Taranaki, we have adopted a policy of attending as many functions as possible throughout the province. To keep us fully informed, we ask you to drop a line to Box 427, New Plymouth, or ring 6101 or 80083 at any time, not only to advise us of impending functions, but of any subject which you think would make a good "Photo News" picture. Readers' pictures of unusual interest will also be accepted for publication.

Another SHIELD Team

After beating off two challenges from Hawkes Bay and Wanganui for the Sweetman Shield, the North Taranaki table tennis team was finally beaten by a strong contingent from Manawatu. The standard of play was very high, with the local team just failing to "click". The Junior (under 18) team still have possession of the Calder Cup, which they won two years ago. The senior team is: top picture, Kay Florence, Margaret Baldwin, Margaret Wilson and Thelma Hale. Bottom, John Elliot, Les Elliott, Trevor Jenkins and Bruce Jury. Youthful Actors ...

Children of the Highlands Intermediate School recently staged three one-act plays. The standard of acting was of the highest order, and a great night's entertainment ensued. But the most notable feature of the show was the excellent make-up of the characters. This was left in the hands of some of the teachers, who are apparently real experts at this work. The time & care taken were well worth the while as one watched a school boy enter the make-up room and emerge as a character that would have been unrecognisable even to his own parents.

Taranaki Beaten

Taranaki was beaten fore and aft by a lively Australian team that deserved every one of the twelve points to nil margin. All their scoring was done in the first half, but the spectators were treated to a great exhibition of football on the part of the visitors. The Wallabies handled the ball particularly well, and some of their passing was of the highest order. The kicking, too, was very accurate. If the home team copied the Australians' style of play for the remaining shield games, then nothing would be able to move the trophy from its present home.

Australians Show Taranaki How

Once again, during last month, the Australians gave a Taranaki team a lesson. This time it was soccer. The visitors dribbled and swerved their way to a well-deserved 8-1 win. Both teams played good football, but the Australians had far more understanding and cohesion. The Taranaki defence worked hard during the game, and came out well at the end. Had it not been for them, the score might have reached astronomical proportions. As a match, it was a little one-sided, but as an exhibition of football, it was well worth watching.

Three Scouts Win Queen's Certificate

For the first time for some years a Queen's Scout presentation was held in New Plymouth last month. Boy Scouts and parents packed St. Mary's hall to watch the Dominion Scout Commissioner, Major General L.K. Lockhart, present Queen's Scout certificates to three boys. The three Queen's Scouts, Andrew Catchpole, George Wall and Louis Vincent, are senior members of the West End Troop. The certificates are the highest awards attainable for Boy Scouts. The retiring District Scout Commissioner, Mr. R.L. Jones, received a presentation at the ceremony. Among other awards made was a 40-years service star to Mr. R. Hopkins.

Playing superbly, Australia notched another win against the Taranaki hockey team at Eltham recently. The home team started out by playing first class hockey and they did everything but put the ball in the net. The superiority of the visitors began to tell towards the interval, when they notched two very good goals. Though beaten by a margin of 6-1, Taranaki never let up and scored late in the game. Fine, fast hockey and a sunny afternoon were good rewards for the large attendance of spectators.

N.P.B.H.S. Play

The New Plymouth Boys' High School presented an excellent play, "The Ghost Train", produced by A.N.Wilson, before the school broke up for the half term holidays. The full houses were very appreciative of the high quality of the acting, especially of those boys who took female parts. Make-up and effects, like the acting were of a very high order. The cast was Kerry Beaurepaire (Elsie Winthrop), Garth Hasell (Richard Winthrop), Errol Slyfield (Teddy Deakin), Murray Herbert (Jackson), Peter Cook and Brent Gracie (policemen), David Barr (Saul Hodgkin), Martin Alexander (Miss Bourne), Alan Farquhar (Julia Price), Edwin Hey (Herbert Price), Paul Adlam (Dr. Stirling), Tim Dobbie (Charles Murdoch) and Tony Coddington (Peggy Murdoch).

Take a quietly flowing river, add to that a dash of sunshine, then two whole heaps of patience, and you have the perfect recipe for a scrumptious meal...or have you? When caught by the photographer making another haul of whitebait, she had already filled half of a kerosene tin.
