**OUR COVER**

Now that the mountain is covered with snow, the ski enthusiasts are in their element. This exhilarating sport is attracting hundreds of newcomers each year. Our photo on the cover shows Raewyn Buckley, Stratford, an expert skier, at the finish of a run at the bottom of the Manganui slopes.

**BACK COVER**

Part of the 37,000 people who went along to Rugby Park for the Taranaki v. France game, and had the pleasure of seeing one of the best games on the park for many years.

**NEW TRAMPOLINE ARRIVES**

Below: The YMCA have taken delivery of another piece of valuable equipment, a trampoline. This aid to physical fitness cost £180 and will prove to be worth its weight in gold to the youth of the YM. Our pictures, below, show the trampoline in use at the BHS Gym.

*Wedding* ..... WITH A DIFFERENCE

We've seen weddings where a guard of honour has been formed by all sorts of sports bodies, but never before have we seen such as this, when a club member of the New Plymouth Skin Diving Club got married. The guard of honour were dressed for the occasion in their frog suits, AND including their flippers, but to make things more realistic, Photographer Ken Taylor turned up in his rubber suit. Below: Ken Taylor shoots the bride and groom through the guard of honour of frogmen. Below, right: Keh has a closer look at the bride before commencing his duty as the official photographer. Above: LANKSHEAR-GIBSON. At St. Mary's Church, New Plymouth, Annette Merle, younger daughter of Mr. and Mrs R.G.Gibson, New Plymouth, to Noel, only son of Mrs G.H. and the late Mr. Lankshear, Feilding. Shirley Williams and Margaret Quinn, both New Plymouth, were the bridesmaids. Don Macdonald, N.P., was the best man, and Roger Dunn, Stratford, was the groomsman. Future home, N.P.

## Tangled Wrestlers

The bout at the Agricultural Hall recently between Claude Webb, N.P., holder of the N.Z. light-heavyweight professional title, and Auckland Don Scott, did not provide the fireworks that it should. Though both wrestlers showed that they knew plenty about the game, they somehow lacked the showmanship. Perhaps we have come to expect too much from some of the matmen.

**Above:** Looks here as though Don Scott is trying hard to convert Claude Webb. Here was a drop kick that didn't connect.

**Left:** Claude gets his man down, via the "over the shoulder" method.

**Below:** Now whose foot is whose?...as they struggle to get to their feet after a hectic tie-up.

## New City Buildings Taking Shape

There always seems to be plenty of building going on in and around the city, yet the demands of the growing population can never seem to be satisfied. Filling a long felt want is the new Police Station, now taking shape in Powderham Street, **above**. By the look of it, it is going to be a place that will be a credit to the city. Just look at the shape of the imposing entrance, **above** the workers' hut at bottom left of the picture.

**Below:** Another building that will fill a very great need, is the new St. Luke's Methodist Church, in Tukapo Street, Westown. On the corner of David Street, it replaces a church that has been inadequate to fill the needs of the growing suburb. St. Luke's is due to be dedicated on September 30th by the Rev. Dr. J.J. Lewis, Auckland.

**MUSEUM PIECES OFFERED  
TO CITY COUNCIL**

After negotiations had been going along nicely, there was a final breakdown, and the offer of a house and its museum-piece contents was withdrawn.

Our photographer went out to Bell Block to see this valuable collection. The photographs on this and the next page were taken, so that our readers would have some idea of the contents of the house. The owner of these pieces told us that it would be impossible to put an accurate value on the articles, but to us, it appeared that some could have had a very great value.

This instrument, called a "Square", is over 200 years old, and made of solid rosewood. Value...you have a guess!

Secrétaire, made by New Zealand craftsmen about 60 years ago, and a magnificent piece of workmanship in solid kauri.

Travelling chest, which was brought to N.Z. by the Rev.J.Whiteley

That is the story with regard to the relics offered to the N.P. City Council. Some could be of very great value, whilst others would be practically worthless. It did seem to us that a large proportion of the exhibits would come under a valuable classification. To those interested in antiques, the museum owned by Mr Fred Butler, Mountain Road, Bell Block is well worth a visit.

## Hawera Intermediate Music Festival Was Best Yet

During these past few weeks, we have seen a few music festivals, and we have no hesitation in rating the Hawera Intermediate School's festival the best we have seen. It was a feast of musical items, with plenty of variety and originality to make it a pleasure from curtain to curtain.

Above, left: Two pupils who gave polished cornet solos, Roger Tapp and Graeme Kirk.

Pied Piper (Russell Fookes), Cornelious Holst (Dennis Lattimer) and Jan Dekker (Graeme Dempsey) enact a scene.

Hendrick (Graeme Duff), Anna (Jan Milne) and Dirk (Graeme Shaw) played their parts with ease and charm.

Colour fan riot with the set of the Little Theatre's Junior production, but the colour was all to good effect. The stage looked as it has never done before in the Little Theatre, and the acting matched the setting. In fact, everything was superb for this very cleverly done production.

Above: Here are the costumes of the whole cast. The making of these must have taken weeks and weeks, so good were they.

Below, left: Madam Dekker (Patricia Gunn), Madam Holst (Jill Lancaster) and Mistress Tilli (Susan Hemmens) are young actors who have a future, if this production was a guide.

Below, right: Dirk (Graeme Shaw) and the Pied Piper (Russell Fookes) put plenty of feeling into their character parts.

## Golden Jubilee For Referees' Association

A social and dance was held recently at Stratford to celebrate the golden jubilee of the Taranaki Referees Association. Needless to say, the function was well-attended, not only by its own members, but by the officials of the Rugby Union.

**Above:** Sid Hunt, a life member, with Colin Fren-grove and Pilo Rangī, another life member.

**Above, right:** Three more life members—with their ladies. From left, Arthur Davis, Mrs Davis, Mrs O'Sullivan and her husband A.M., and Cliff Pellowe.

Distinguished guests were, from left, Noel Stanley, chairman of the management committee TRU, Norm Neilson (Wanganui), G.Bowen secretary of the TRU, Vern Morris, president of the TRU, Bob Forsyth, a N.Z. referee, and Terry Smith, the president of the Taranaki Referees Association.

Mrs Kura Matangi demonstrates the ease with which you can make your dog come to heel.

Sandra Lord's Peke Sue didn't like the idea of parading, so Sandra had to help her along around the corners.

At the very first attempt, owners sat their charges, and told them to stay put, whilst they, the owners, went for a walk. It was just amazing how those dogs stayed on their rudders until the masters return, above.

Above, right: Mrs Nancy Cobain with two dogs not often seen in this country...greyhounds. Only pups of course, but they were there for their share of training, and they were just as attentive as any other breed.

Left: Earl Inch with his dog Bess. Just a couple of cobbles.

## Dog Training Made Easy

If we had a dog, we would take it along to the weekly classes run by the Canine Obedience Club at the Queens Hall each week. We saw what could be done with an untrained dog, and were amazed at the speed with which they did as they were commanded. By the end of the evening, dogs that were trying to get at each other, were completely friendly, and obeyed commands that they had never heard before. Under proper tuition, these canine friends can be made to understand man's wishes, without any brutality of any kind.

Strangers, but jolly good pals just the same. After half an hour at the obedience class, these two would have eaten off the same bone.

Messrs W.D. and C.H. farmed up the Pembroke Road, Stratford, for some time prior to their retirement. The party these boys celebrated was held at Morrinsville, when T.A. recently completed 65 years in the dairy industry.

## League Cyclists' Two-Day Tour

Run in weather conditions that could only be termed as ideal, the New Plymouth Cycling and Athletic League's two-day tour of the province proved to be one of the most popular events in the club's calendar. Tough though the tour was, the surprise came at the end, when more than a dozen cyclists raced for the finishing line.

**Above:** After the race, the team to represent Taranaki in the forthcoming tour of the South Island was announced. Here they are from left, George Wharehoka, Errol Chapman, Doug Herbert and Bob Wilson.

**Below:** At the start of the event, all the riders were bunched, but before many miles were ridden, only the strong riders were out in front.

**A QUEEN IS CROWNED AT STRATFORD BALL**

The Stratford Memorial Hall was all aglitter for the crowning of the Queen Carnival of the Taranaki Hockey Association. It was a colourful and well organised function, attended by all followers of the code. ## Mayoress Opens Health Stamp Campaign

The urging that the mayoress of New Plymouth, Mrs A.G.Honnor, gave the public when she officially opened the health stamp campaign recently, must have had the desired effect on the public, as the stamp sales for New Plymouth have exceeded all other years' sales. Mrs Honnor is shown, above, making her appeal to the public, with Mr W.Small, chief postmaster, and Mr A.C.Dannefaerd, chairman of the health stamp committee.

Taranaki medical officer of health, Dr.I.W.Mc-Dougall, purchased his sheet of stamps from the chief postmaster.

Mayoress Mrs A.G.Honnor paid her money for a complete sheet of health stamps.

## Speedway Thrills At Waitui

The Waitui Sports Club recently staged a very successful motor-cycle and go-kart meeting. This type of function is drawing good crowds out to Waitui on Sunday afternoons, and it will not be long before it turns into a regular speedway. The track is excellent for the purpose, and provides thrills by the ton in both the motor-cycle and go-kart events. Good fields of riders are evidence, above, of the popularity of the meeting.

## Past v. Present League Football

The Waterside League Club recently staged a past v. present game. The old 'uns easily whacked the young 'uns, mainly by weight of numbers. The young fellows are shown light, numerically inferior to the old codgers; below, who won despite an acute shortage of wind, but a plentiful supply of artfulness. The old jokers, even had the referee on the pay-roll.

## Moturoa School Fancy Dress Party

The Waterside Hall was packed to capacity for the annual fancy dress ball of the Moturoa school. The parents came in their hundreds to see the children perform items that they had been practising for the past few months. Our pictures on this page show some of the many fine costumes that were worn by these young revellers.

## Waitara Boxing Tournament

There was only a mediocre attendance at the annual boxing tournament at Waitara, which was a pity as some very fine bouts were to be seen. Admittedly most of the contestants were of the fly-weight division, but they produced some good entertainment. Some of the boxers came from as far away as Wanganui.

## C.W.I. Concert

A concert recently presented at the CWI rooms proved a very popular evening for members and their husbands. The building was bursting at the seams with the packed audience.

It has always been a source of wonderment to us at the things these women think up for a programme of this type. There was fun and colour in the programme to suit all tastes.

**Right:** One of the turns was a madcap group of singers who didn't sing, performed by the Vogeltown CWI.

Comedy, pathos and colour all blended to make this CWI concert a very entertaining one.

## Children's Art Exhibition

We took our camera round to the children's art exhibition at the Museum last month, and were absolutely amazed at the quality of most of the work on display. So intrigued were we, that we photographed a lot of the exhibits and reproduce them here, so that the reader can have a look at them too. Though we cannot do justice to some of the very brilliantly-painted masterpieces, we feel that to see them in black and white is some small consolation.

## Music Festival At Highlands School

The annual music festival of the Highlands Intermediate School was a musical treat that has now become an established tradition at the school. Each year, the festival shows marked improvement, and now in 1961, it surely has reached the peak of perfection. Such is our opinion on attending this pleasant and enjoyable evening. There was nothing starchy about the programme, it being composed of bright and light musical items for the whole of the evening. Great credit is due to those of the teaching staff who have given so much of their time to train these young artists.

### Unwelcome Visitors

Have you ever heard two penguins mating? No! Then we can assure you that they make far more noise than a couple of elephants, and when they are under the floor of your house, it is ten times worse. This is the experience of Mrs Keat, Regina Place, New Plymouth. She had a couple of the noisy things under her floor, and they nearly drove her crazy, until one tea time, Peter Lawrence walked out the back door, and lo and behold, there they were. It didn't take long for Peter to box them up, and rid Mrs Keat of many sleepless nights. Peter introduces one of the pests to our photographer, left. The family cat was also introduced to them, and there started a slanging match, neither one trusting the other at all, above.
