COVER PHOTO: Mr. Harold Newton, of Kaipikari Road, Urenui, purchased a purebred Galloway Bull and Spot Light felt that such a handsome animal needed framing. Somebody told us that some sort of shield might be appropriate. So we have taken the centre out of that shield and this is the result. It just proves the story about a little bull and all that. We don't know what Mr. Newton has christened this bull. Hope it's what we think it should be.

The engagement of your local photographer, listed on this page, will ensure that your wedding, 21st birthday party, or any function or event of interest, will appear in this magazine.

Organisations are also invited to advise these photographers of any activities which may be of interest to our readers.

Copies of photos published and inspection of proofs of functions covered are available from the photographer whose name appears on the photo.
