REGISTERED AT THE G.P.O., WELLINGTON, AS A MAGAZINE

AVAILABLE THROUGH THE POST BY SUBSCRIPTION (32/- PER ANNUM, POST PAID) OR FROM NEWSAGENTS AT 2/6 PER COPY.

COVER PHOTO by P. Clifford Allen. Shelley McCallum, whose dad lives at Waitara, was very keen for us to photograph her cat. But Squeak was not very co-operative, and in fact was rude enough to poke a tongue at us. We think you had better take Squeak in hand, Shelley.

The engagement of your local photographer, listed on this page, will ensure that your wedding, 21st birthday party, or any function or event of interest, will appear in this magazine.

Organisations are also invited to advise these photographers of any activities which may be of interest to our readers.

Copies of photos published and inspection of proofs of functions covered are available from the photographer whose name appears on the photo.

Waitara Golf Club

Some years ago, there formed in the minds of several Waitara people, the idea of starting a golf club handy to the town. An area of land thought suitable for this purpose was found at the end of Mouatt Street, Waitara East, and a rather formidable task of clearing 76 acres of lupin was.....

.....undertaken by consent of an initial meeting in July 1951. The photographs on this page, give some idea of the undertaking. The land running along the sea coast, was by nature, sandy loam and the preservation of the top soil of considerable importance. A tractor equipped.....

....with a scrub cutting attachment, was purchased in January 1952, and the work began in earnest. The lupin was cut and allowed to rot, thus providing further rich soil. 6 short holes were played on in the 1953 season, and at that time a caravan was used as a club house. It is to.....

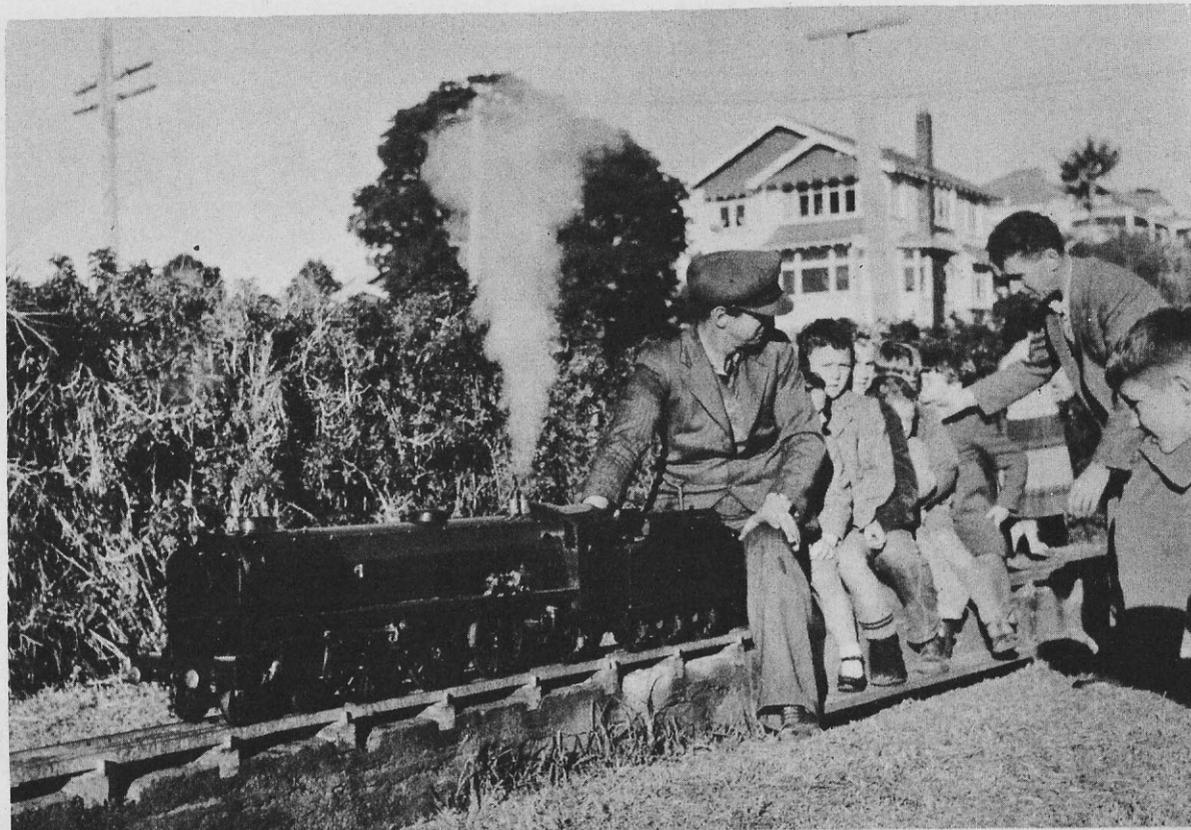

.....the great credit of the members, who provided most, if not all labour on a purely voluntary basis. The many hours of work and sweat produced a nine hole course which was opened in June of...

....1955. As further clearances were made and as more of the area was brought in, this nine hole course was extended, and the present nine holes have been played on since 1956. In the next year water to the greens was installed. It is to the great credit of the Waitara Golf Club that.....

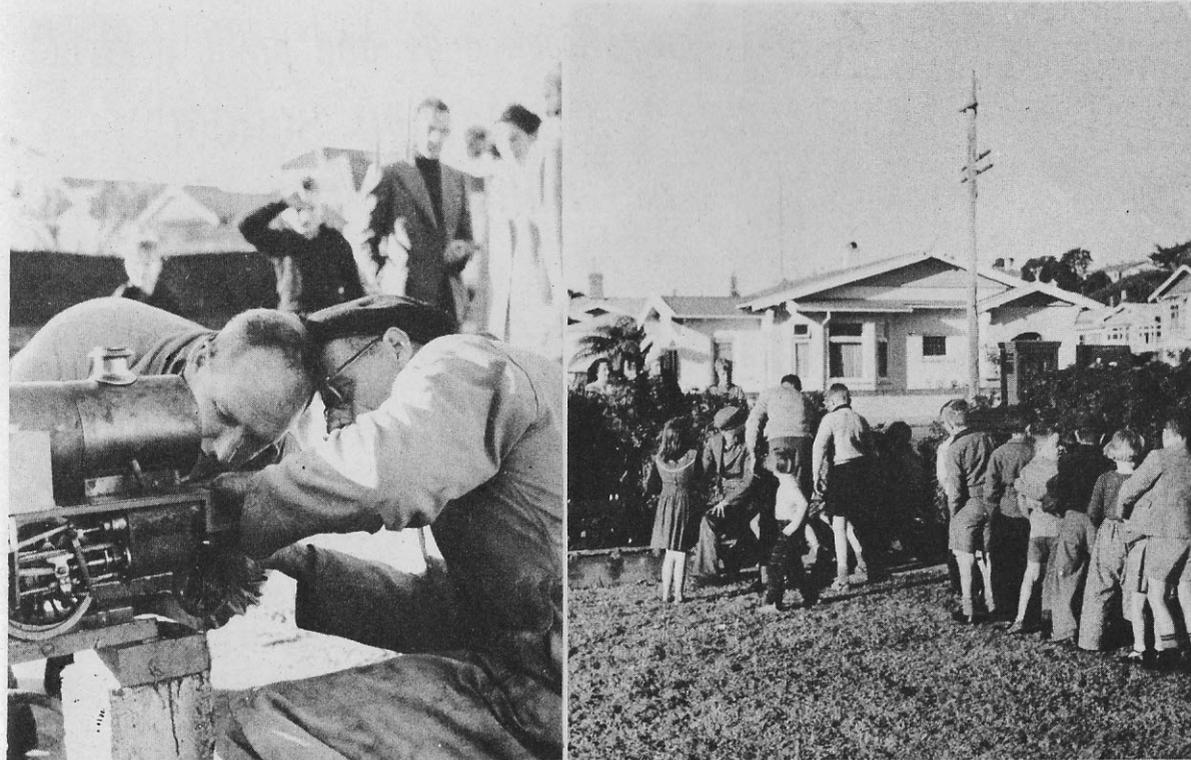

.....from lupin, some of which stood 10 feet high, there has emerged a course entering for 30 members.

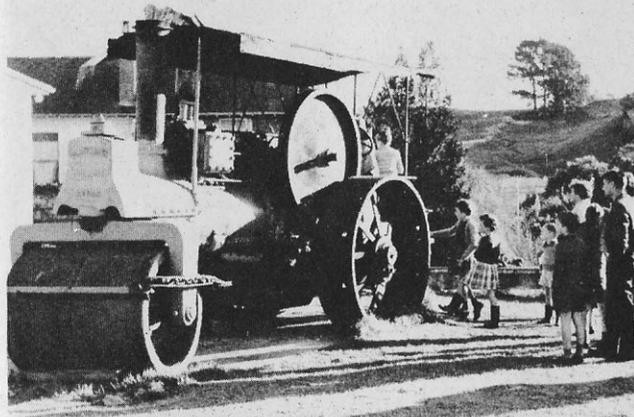

Its all aboard and off we go. - A very popular feature for young and old is the New Plymouth Model Engineers Club, whose premises may be found on the corner of Gilbert and Liardet Street.

WAITARA UNIT 2nd Field Ambulance

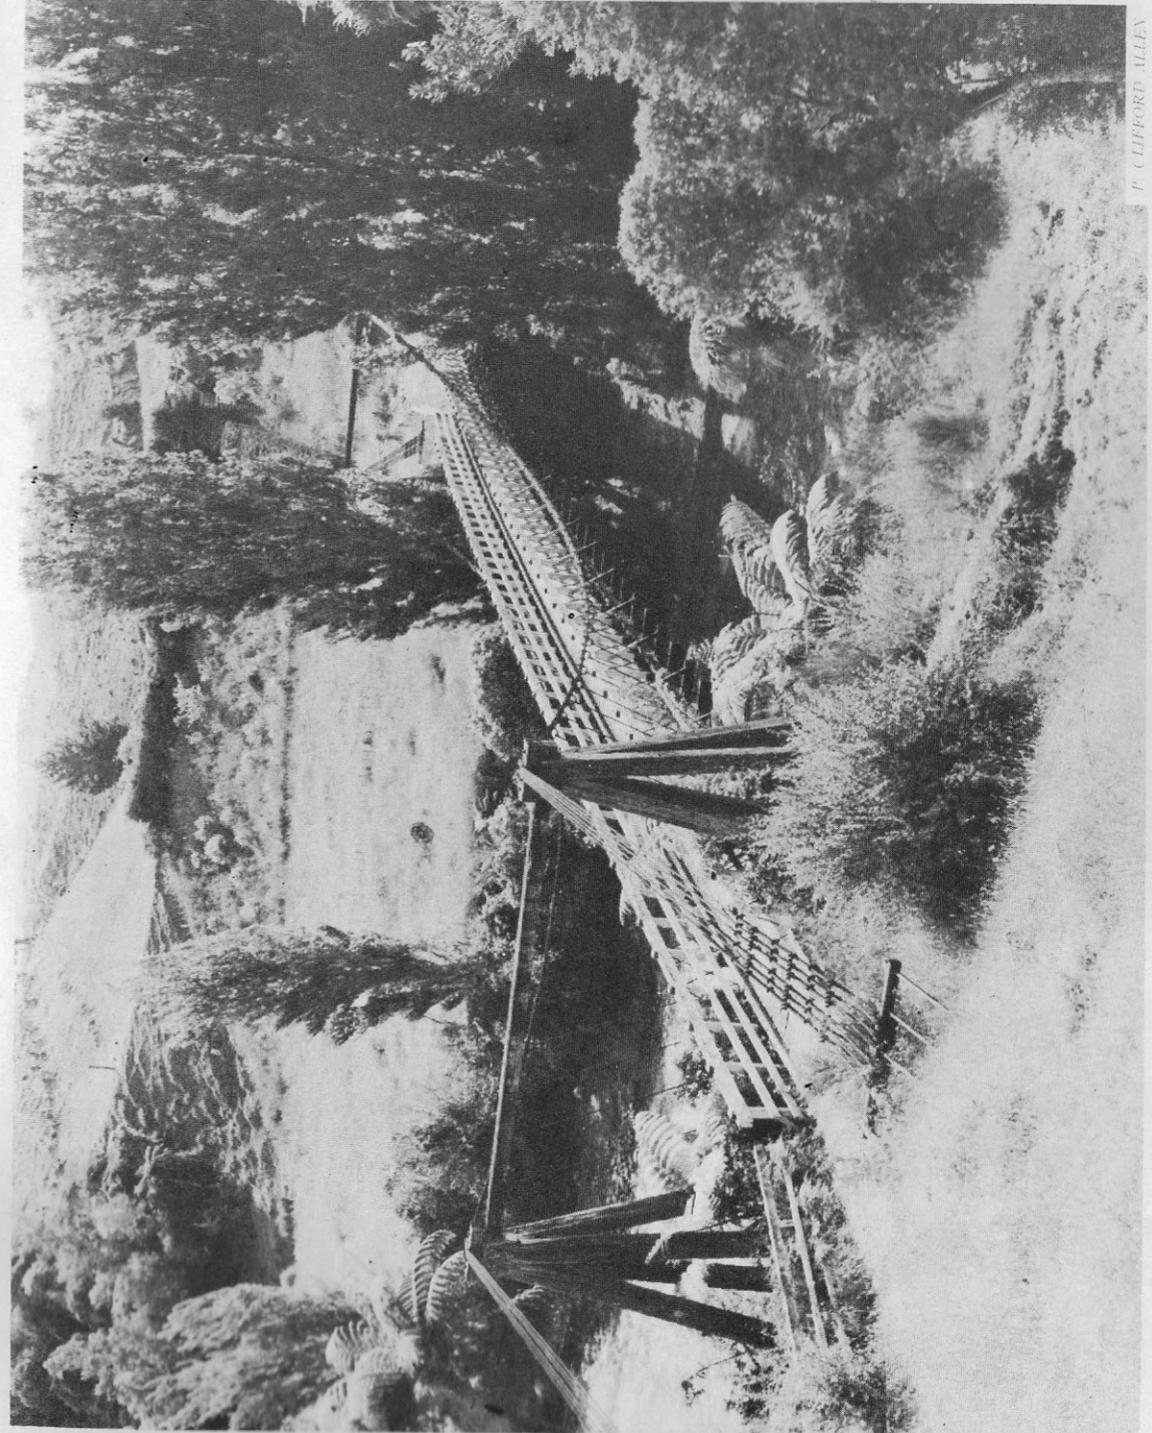

Recently in Waitara the Army held its first parade for over 20 years. This unit was formed after the recent introduction of the new Volunteer Territorials, and a very pleasing response has been obtained. In command of this Waitara Unit is W. O. 1 D. Falwasser, who will welcome enquiries from Waitara boys 17 years and over. Top: On parade- Centre: some of the volunteers. Below left: S/Sgt. W. Cooper, briefing recruits. Below right: L. to r. R. Sgt. Lawrence, S/Sgt. W. Cooper and W. O. 1 D. Falwasser.
