OUR COVER

Kara, owned by Mr and Mrs Van Sticht, lessees of the North Egmont Hotel, is a dog with a fine future. Already, though only young, he has won many prizes at shows. He is perhaps a dog that is being used for a good purpose, in that he is the guard dog of the hotel. Who would want to tangle with such a watch-dog?

BACK COVER

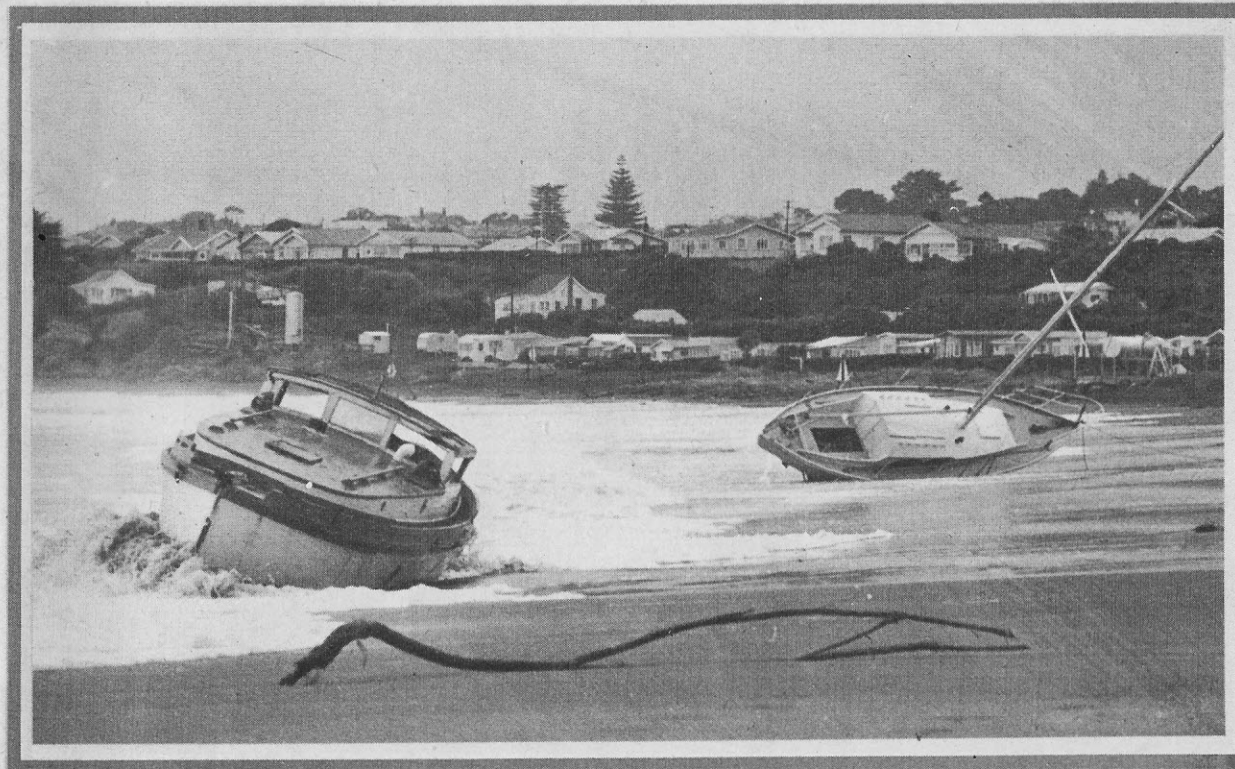

These flowers, photographed in New Plymouth, are rare in this country. They are the beautiful orchid cactus blooms.

URENUI... RIVIERA OF NORTH TARANAKI

The Urenui River at its mouth is one of the favourite spots with visitors to the province. Over the holiday period, thousands visited this very delightful spot, and enjoyed safe bathing in the tepid waters of the river. There are fine beaches for the children to play on.

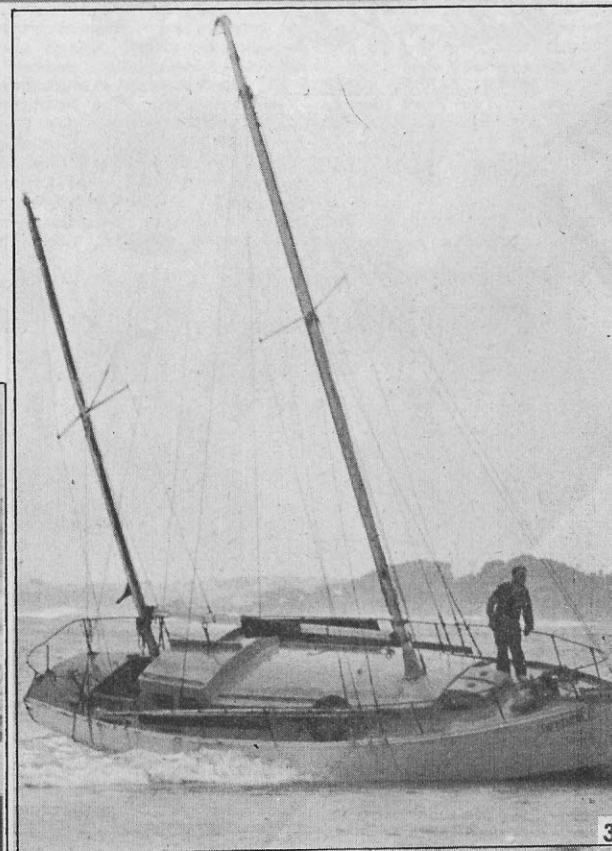

Storm Hits Coast And Wrecks Boats

A freak and severe storm hit the Taranaki coast recently, and in the comparatively safe anchorage at Ngamotu several pleasure craft were torn from their moorings and washed ashore. Some even sank at their moorings. The following morning saw boat owners working hard to salvage their craft.

Above: Two of the craft which were washed ashore. Fortunately little damage was done to these two valuable pleasure craft.

Below, left: This craft was hauled up the beach for inspection.

Below, right: Owner goes aboard to find out the extent of the damage.

HMNZS Rotoiti Visits New Plymouth

Coming into port from a very stormy sea, HMNZS Rotoiti made one of the shortest calls on record, when she berthed for two hours to pick up stores and two oceanographers and their equipment. The trim little ship was able to put to sea again to carry out her duties in the Tasman after one of the quickest turn-rounds a ship has ever made at the port.

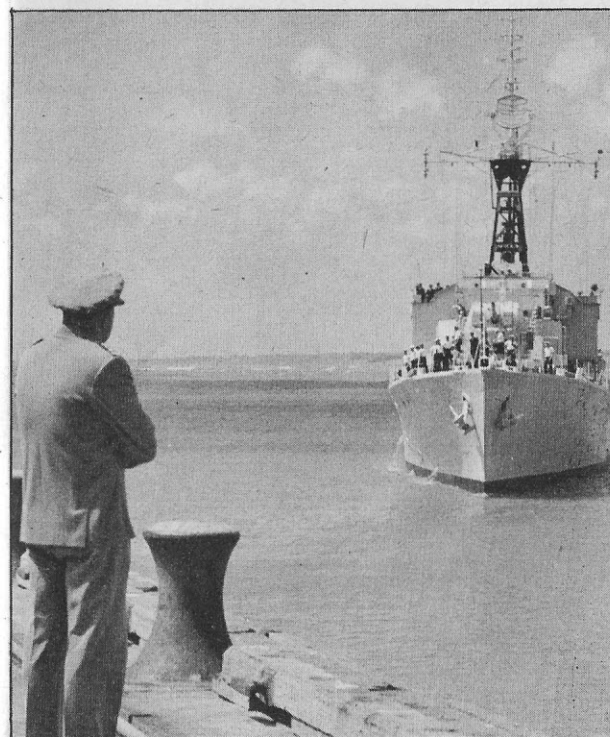

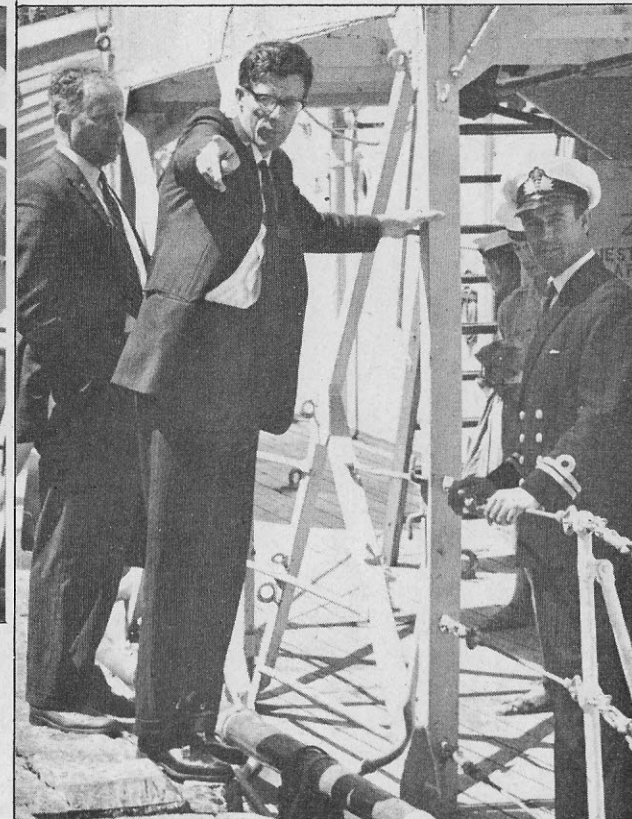

Above: Crew members of the HMNZS Rotoiti help load the scientific gear that will be used to study chart magnetic readings off the west coast of the North Island.

Wet Weather For Beach Races

The weather was most unkind for the annual Oakura Beach races. Rain and a high wind, which according to the local residents is most unusual, marred what otherwise would have been a good day's entertainment. Consequently, the crowd was much smaller than usual, and the surf club, who do such a good job in organising this meeting, were not so well off as they might have been. Despite all this, the programme was run to schedule by a very efficient team of helpers.

Stratford Marching Championships

There was a very good crowd for the annual Stratford Marching Championships, held recently at Victoria Park. Sixteen teams took part, providing a nice Sunday afternoon's entertainment for those who attended. It was a bright, well-organised and colourful display, blessed with very fine, hot weather.

Waitara's Queen Carnival

They need a few more pounds out Waitara way to pay for their new swimming baths. Should they achieve this, then the new baths will open debt free, and it will be thanks to the people of Waitara for the very generous support that they are giving to this very worthy community effort. The Queen Carnival, now in progress, will, we feel, be sufficiently well supported to enable the baths committee to complete the job in hand. The two queen candidates, above, Judy Tawhiri, left, the Works queen, and Jean Madgwick, right, the Town queen, are a couple of very charming girls who will in the next eight weeks be giving up a lot of their time to help the fund-raising drive.

Below: Quite novel was the arrival of the queens. They were presented to the crowd from the yacht "Pleiades", complete with Father Neptune.

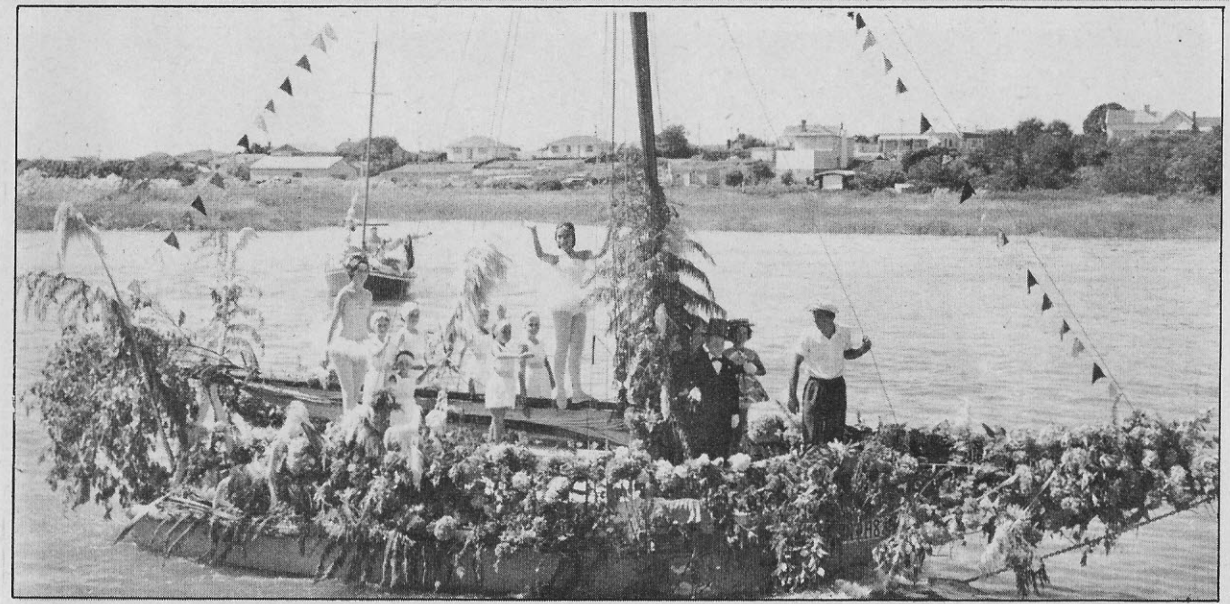

THOUSANDS AT WAITARA QUEEN CARNIVAL

The river bank at Waitara was crowded for the start of the Queen Carnival recently. There were numerous attractions, including boat rides for the kids, and a variety of entertainment for the older folk.

Above: Some of the entertainment was provided by the Maori Concert party from the Manukarihi Pa. Below: The little tackers got the front seats at the presentation of the queens, but everyone was happy, because that's the sort of atmosphere there was at this popular afternoon's entertainment. We would estimate the crowd at something like 2000, which isn't bad for a town the size of Waitara.

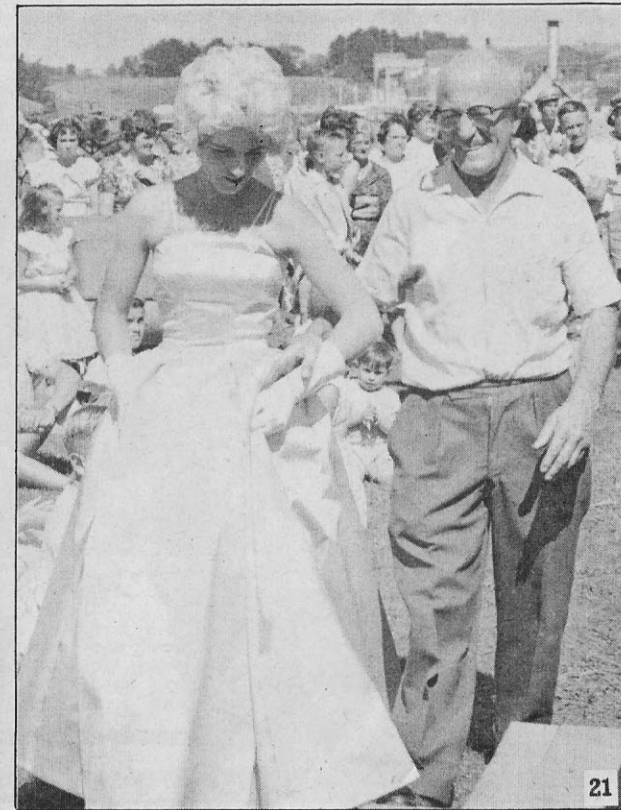

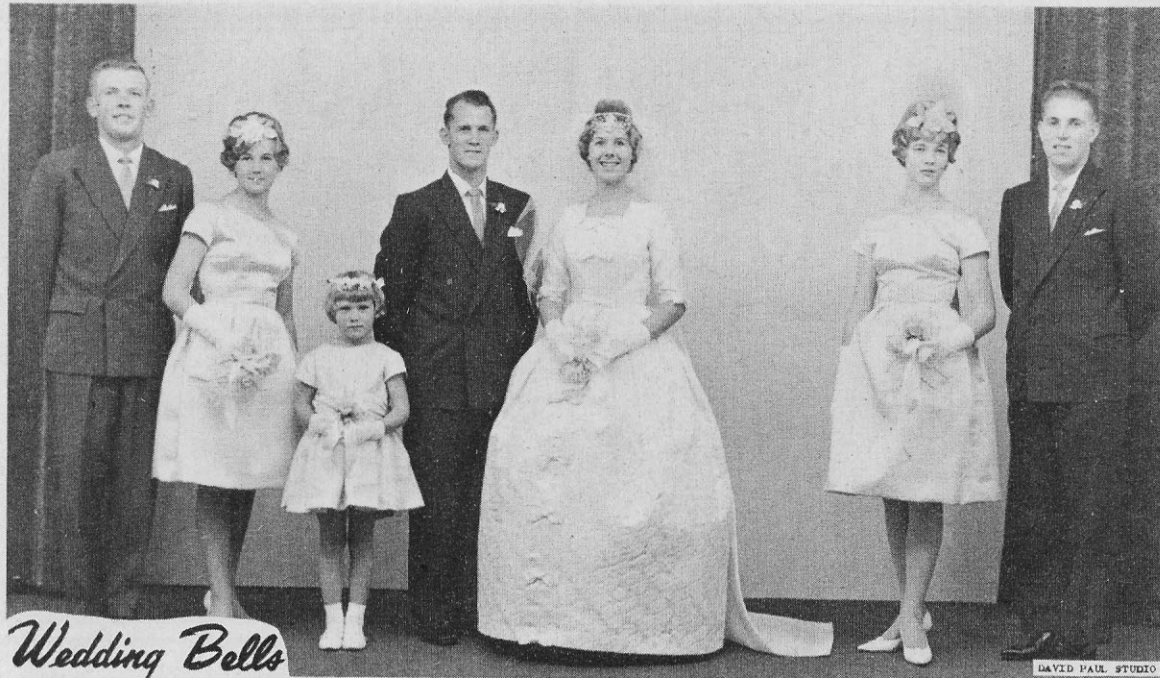

FUN ON THE WAITARA RIVER

Not for many years has the Waitara river seen such gaily decorated boats as was the case for the opening of the Queen Carnival campaign. One of these boats, shown above, was decorated and crewed by members of the local dancing school.

Below, left: Queen Judy steps off the fire tender, with the help of King Neptune and a member of the local fire brigade.

Flower girl was Jan Sutherland, Hamilton. Future home of the couple will be New Plymouth.

Natural Swim Pool

Right in the heart of the city we found this very delightful swim pool. It is situated on the Te Henui stream, near to the Girls High School. Not only does it make a very convenient place to cool off, but we thought it made a good study for our camera. Don't you agree?

Flannagan Cup Race

Forty-four swimmers contested this year's Flannagan Cup Harbour swim. Raced over a course outside the wharves, it is a test of endurance. There was a chop on the water, but this did not unduly interfere with the swimmers as much as the jelly fish. More than 75% of the starters completed this long swim, during which it rained for the whole time.

Above: Part of the large crowd lining the wharf for the start of the race.

Below, left: Duncan Lang checks the starters with A.Yates (Inglewood) and Jan Barclay (NPOB).

HARBOUR SWIM WAS WET FOR SPECTATORS TOO!

About forty competitors got away in fine weather, but then the rain came down, and the spectators got just as wet as the swimmers.

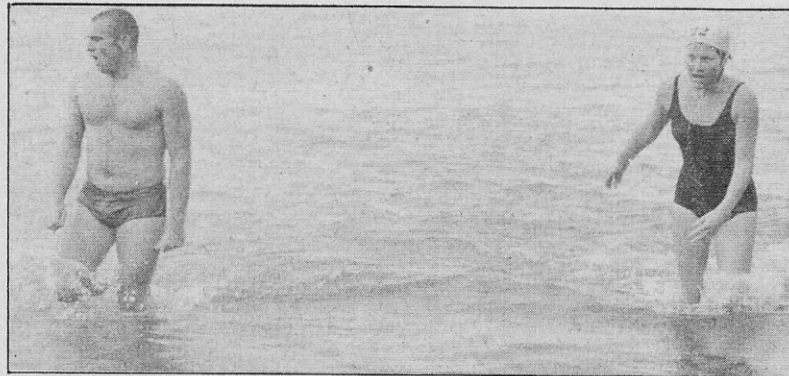

Above: Waiting calmly for his time to start is Wanganui's Don Butchart, the scratch man who gained fastest time, and was fourth home.

Below: Last year's winner, N. Penwarden takes a look at the stormy sky before starting.

Below, right: These two kids didn't seem to mind the conditions, keeping dry on top, but wet underneath.

16-YEAR-OLD WINS FLANNAGAN CUP

Despite the severe handicap of being disabled, C. Murfitt, a 16-year-old lad from Hawera, received a tremendous ovation from the crowd when he emerged from the water as winner of the 1963 Flannagan Cup race. Swimming off the 6 minute mark, he overhauled the front markers to win by about three minutes.

Left: Here is the winner with a very proud mother and grandmother after his fine swim.

Women's Open Pairs Winners

Three out of four pairs in the recent open tournament semi-finals were from the home province, and included the Dominion champion pair, Mesdames Ivy Opie and Ivy George (Hawera). In the photographs above, left, are the eventual winners, Mesdames G. Rowe and D. Telfar (Waitara). This is the second final of the open that these two women have contested during the recent women's tournament week. They were narrowly beaten in the fours final. Above, right: Runners-up were the Dominion pair champions, Ivy Opie and Ivy George (Hawera). Below, left: Third place went to a Waimea pair, Mesdames E. Paulger and J. McKee. Below, right: The only visiting pair to reach the semi-final were Mesdames E. Clark and M. James (Waiuku).

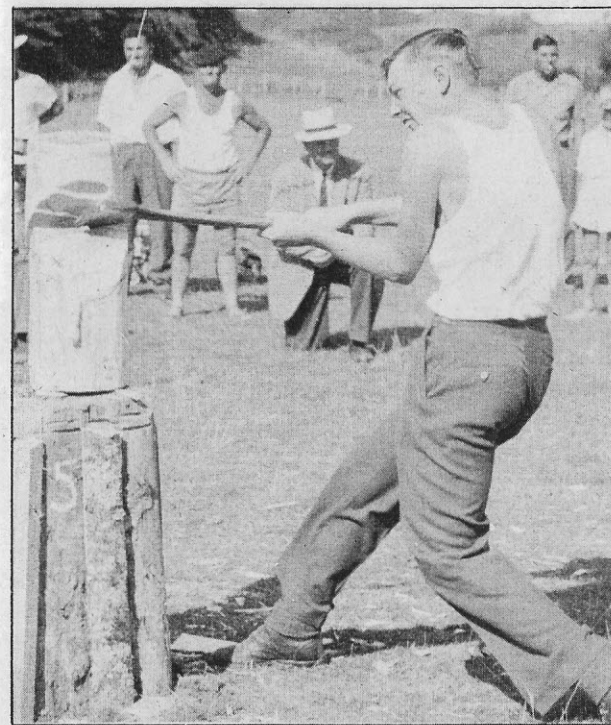

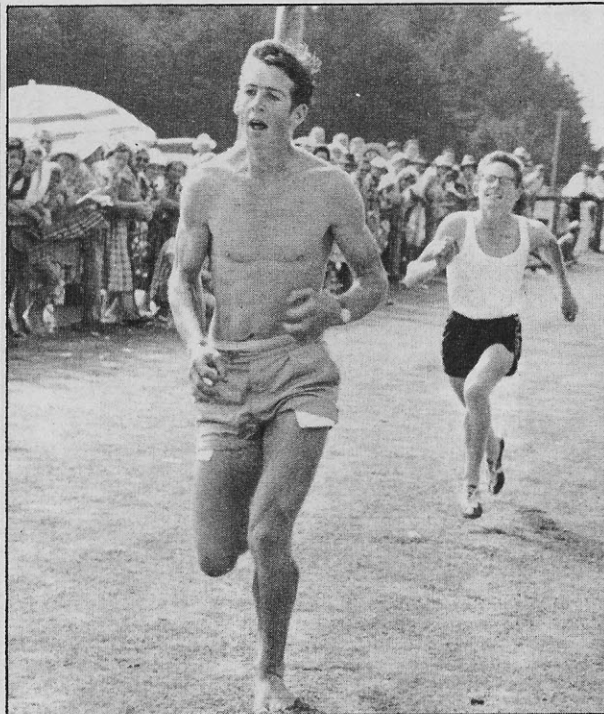

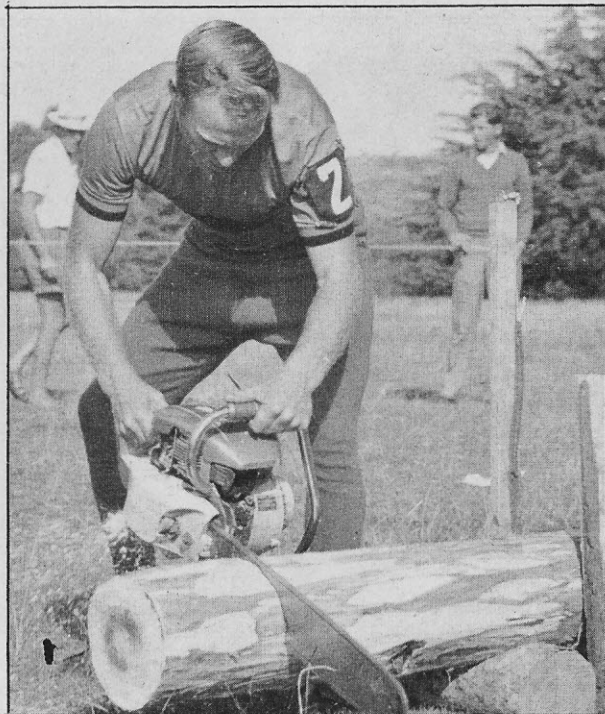

Women's Bowls Administrators

Above: Here is the executive of the Taranaki Women's Bowling Centre. These women did an excellent job in the running of the recent 15th annual open fours and pairs tournaments. It was two weeks of work and organisation for them, and they had things running smoothly for the whole time. From left, back row, Mesdames M. Hansen, Q. O'Keefe, G. O'Dowda, M. Peterson, and C. Paul; front row, Mesdames I. Harris, E. Gibbs (past president), V. St. George (President), S. Green (Vice-president), and N. G. Mackay (secretary-treasurer).

Urenui Sports

Attendance and entries were well down this year. Perhaps there were too many other attractions, and this affected the attendance which is usually very good. Despite this, the day proved quite successful with plenty of chopping, cycling, and athletic events on a long programme. At left, Graham Old (Waitara), winner of the boys' chop event, with Gary Bullen (Rahotu) in a close second place, below, right.

URENUI SPORTS

Despite the lack of spectators and entries, the Urenui Sports lacked nothing in appeal as a well-organised sports meeting. With events covering a long programme, the day, with its brilliant sunshine, was a pleasant way to spend a Saturday.

Above, left: Larry Kendall, who gained second in the power saw event, was beaten by a more powerful machine.

Above, right: The young fry were well catered for in athletic events. Here Paul Moonie wins the open mile event from Bruce Jordan.

David Baird, Australia, was the best man, and Jes Sorenson and Tony Main, both Urenui, were the groomsmen. Future home, Urenui.

The Festival of the Pines

Varied programmes, offering good entertainment, were a feature of this year's Festival of the Pines, held in the beautiful Bowl of Brooklands. This picture was taken on the first night of the festival, when 5000 people attended to hear a programme of Rodgers and Hammerstein music, with four soloists to delight the audience. In addition, Miss Brooklands 1963 (Adrienne Bond), with her maids and the remainder of the contestants, was presented to the public. Miss Brooklands' guest for the week was Miss Nelson (Shirley McEwan). The attendance was considered most satisfactory in view of the unsettled weather conditions.

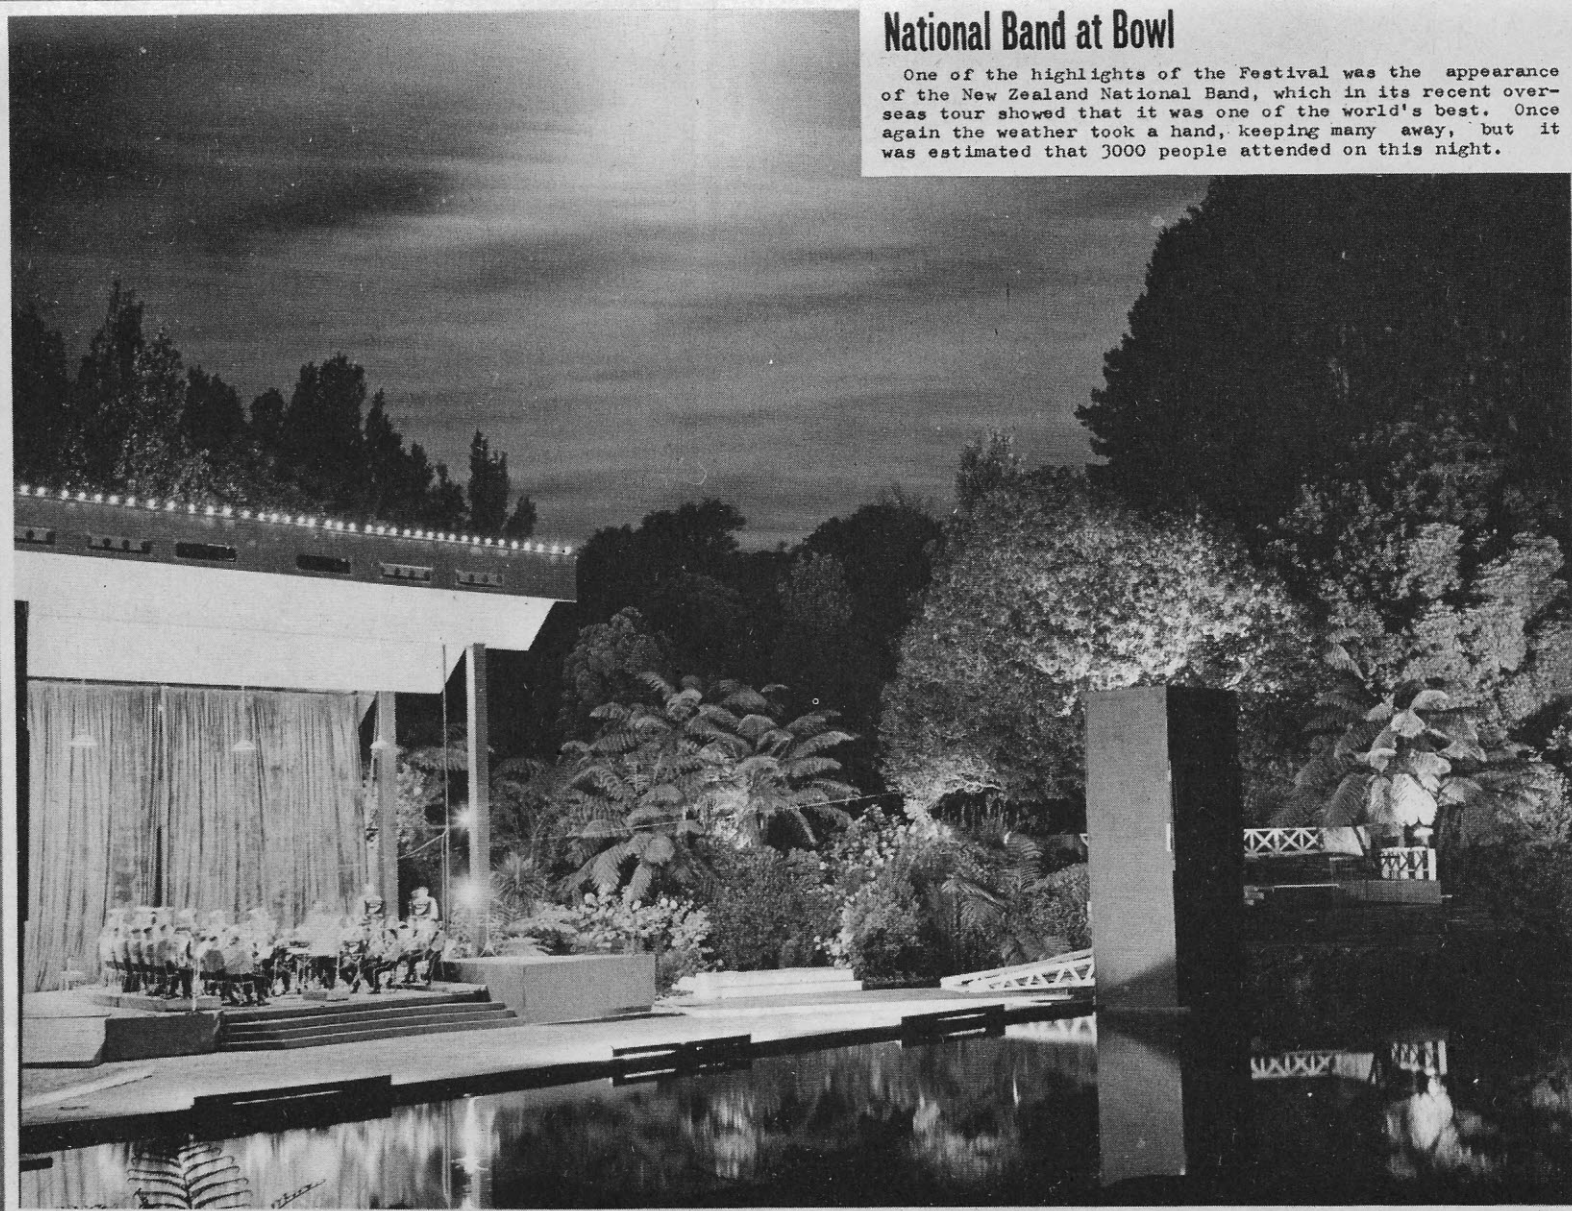

Magnificent Sets

A scene from the drama "Antony and Cleopatra", showing one of the most effective sets ever to be seen at the Bowl of Brooklands. The production was staged on two nights, and although no effort was spared, as the picture indicates, to make the presentation a dramatic masterpiece, the total attendance over both nights was only 3500. This gives rise once again to the suggestion that if the Festival is to be both popular and financial (if it is one, it will be the other), then lighter forms of entertainment are required, preferably spoken in the English of today, to be understood by all. What thinkest thou?

National Band at Bowl

One of the highlights of the Festival was the appearance of the New Zealand National Band, which in its recent overseas tour showed that it was one of the world's best. Once again the weather took a hand, keeping many away, but it was estimated that 3000 people attended on this night.

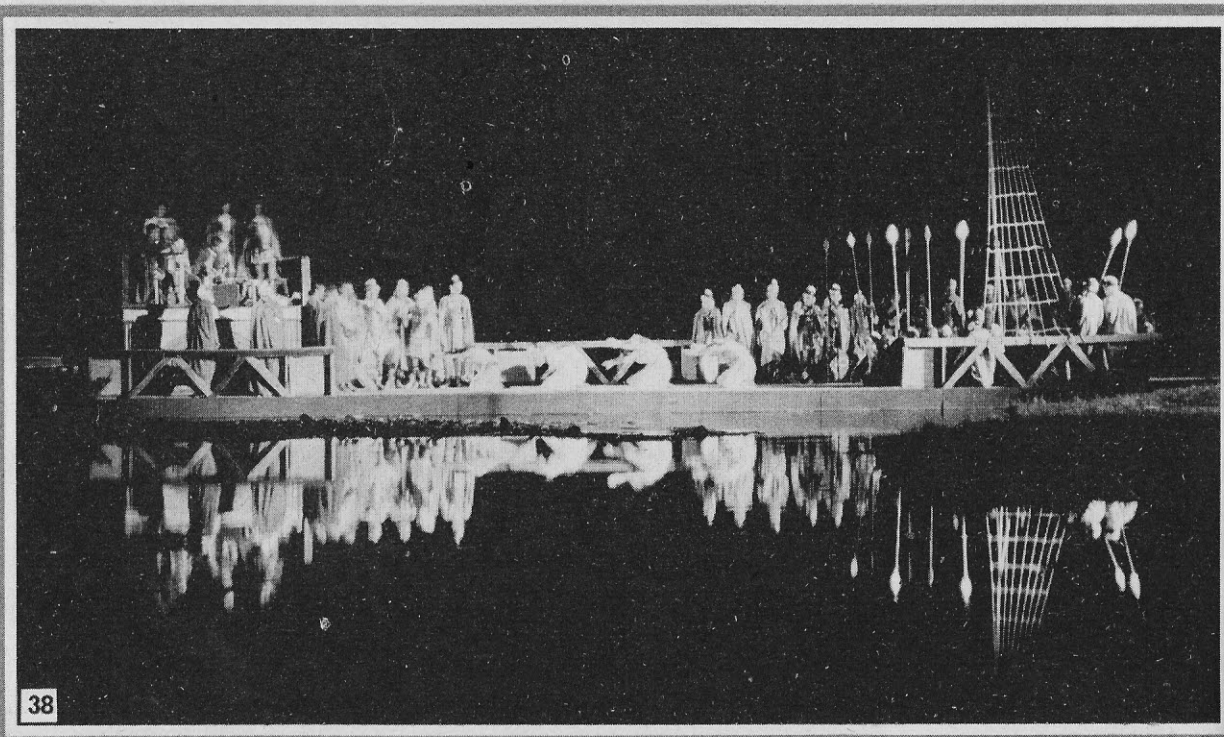

Variety and Drama

Above: The scene at the presentation of Miss Brooklands, seen here with her maids and some of those who contested the title with her.

Below: Drama at the Festival was provided by Shakespeare's "Antony and Cleopatra", a lavish and imaginative production of the well-known classic. This is the scene on the galley, a set which was cunningly devised on the edge of the lake.

Old New Plymouth

Here are a couple of pictures of the city which give us some idea of the town as it looked to the older settlers. To us, it is hard to imagine what the town was really like in the distant past but these pictures conjure up some ideas of what life was like in the late 1800's and early 1900's.

Above: Here is a view overlooking the town from the top of Eliot Street, just by the entrance to the NP Boys' High School. Plenty of building sections in those days. Wonder how much they were?

Below: View of Devon Street, taken from the corner of Robe Street, and showing the old Australasia Bank on the corner, a building which is still standing. We cannot date this picture, but it was taken well before the main street was sealed.

72 Years Has Changed Devon Street

Above: This photograph, taken on the occasion of the fifty years jubilee, in 1891, shows the remarkable growth of the business area of the town. The picture was taken on the Cover street corner, looking south. At that time, this part of Devon Street was still very much residential. But today, 72 years later, the main street has become a thriving business area, with fine new buildings. The photograph below was taken recently from the same point as that above, and indicates the difference in the town that has taken place during the past 72 years.

Taranaki Swimmers Did Well At N. Z. Champs

The junior team of swimmers from the province, who recently travelled to Auckland to contest the N.Z. Championships, did better than any other team before them has done. They collected one title, plus several placings in the finals to give them the highest number of points ever gained by a Taranaki junior team.

Above: Here is the team with its coach manager, Duncan Lang (NPOB). From left, back row, Barry Rangihaeata (Patea), Duncan Lang and Graham Dempsey (who was 2nd in the 440 yds freestyle, 4th in the 220 junior boys and qualified for the 110 butterfly final). Front row: John Egar (Stratford); Katie Taylor (NP), junior champion of NPGHS; Mary Lyle (NP), 5th in the final of the 220 breaststroke and 4th fastest time in the heats; Jennifer Froggatt (NP), won 220 breaststroke, 2nd 110 breaststroke, and swam for the North Island v. the South; and Scott Hamilton (Inglewood). Absent from this photograph were Stephen Bond (NP) and Kay Quickenden.

Below: A start has been made on the proposed new groyne at East End beach. The idea is to try and get a sand build-up on the beach, so that the city can then boast of two of the safest beaches in the Dominion. Should Ngamotu be lost to the Harbour Board for new wharves, then this new beach will be, like Ngamotu, the most popular place to be in summer. This sort of planning is a feather in the cap of the city council, who feel that safe beaches are one of a town's biggest assets.

Inter-Secondary School Swimming

The New Plymouth Girls High School baths were the venue for the recent inter-secondary school swimming championships. Blessed with a gloriously fine day, the meeting saw records fall one after another. Each and every contestant was encouraged by cheers from the supporters on the terraces who came from all the secondary schools in Taranaki.

Whiteley Church Is Nearing Completion

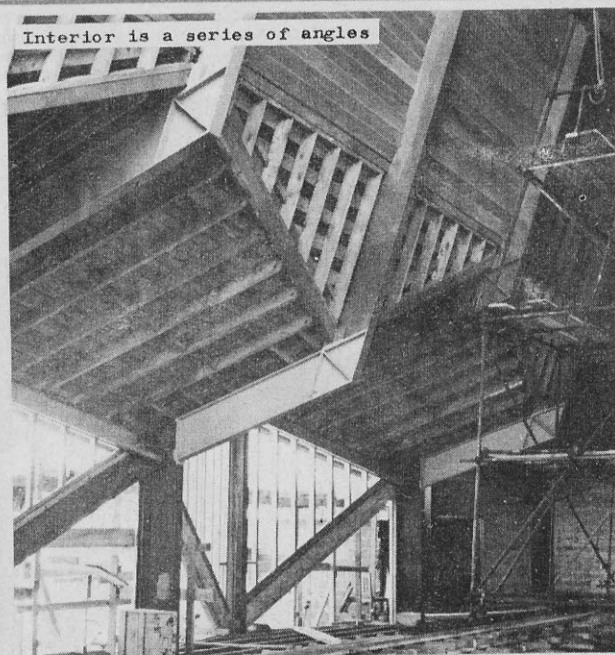

Now a very prominent landmark in the city, the new Whiteley Methodist Church is fast nearing completion. We took our camera into the church recently, and were amazed to find that so much had been done. At the present rate of progress it will not be long before the church will be in use.

Miss Brooklands and Miss Nelson at Needlework Display

One very interesting display held in conjunction with Festival week, was the needlework display organised by the North Taranaki CWI. It was attended by Miss Brooklands and guest Miss Nelson, who are here shown above with the vice-president of the CWI, Mrs A. Wicksteed. Festival Cycle Racing Was Best Meeting Yet

With all the top local riders pitted against three of England's best cyclists, the festival meeting at Rugby Park proved to be one of the best meetings ever held in the province. Some really excellent racing was witnessed by the rather small crowd who attended. With the addition of the attendance of Miss Brooklands and her guest, Miss Nelson, plus the Taranaki Ladies' Highland Pipe Band and the local marching girls, the two-day programme was varied, colourful and well worth seeing.

Inglewood Four Wins Women's Open

Not quite as lucky with the weather as the men were, the 15th Women's Open Tournament was recently concluded on the Paritutu Club's green, with four Taranaki teams contesting the semi-finals. The final was played between Mrs D. Chard's four from Inglewood and Mrs G. Rowe's team from Waitara. Right up to the end of the game, any one of the teams could have been the winner. With superb bowls played at the end of the game, Mrs Chard's four ran out winners. Perhaps we would be forgiven for saying that the reason Mrs Chard won was that she played with the same aggressiveness as do the men. Some of her up shots were superbly executed. This is her second win in this very popular tournament.

Poor Conditions For Surf Champs

Conditions were anything but pleasant for the provincial surf championships, held recently on Strandon Beach at the headquarters of the East End Surf Club. On the first of the two-day meet, the sea was as rough as it could be, besides being cold, with a colder wind blowing. Despite this, the performances put up by the surfers were excellent. Above: Only the weather could be blamed for the pitifully small crowd who attended the championship meeting. Below: The junior four-man alarm event in progress, showing the huge waves the contestants had to overcome.

Above: Hardy is hardly the word for these ladies who took part in the surf race. Thirteen competitors took part in this event, and they all finished what must have been a very tiring swim.

Fortunately there was no very serious injury, but the vehicles sustained some damage. This accident spot has one of the worst records of any intersection in the city. It is to have a "Give Way" sign which should help to improve the situation.

Water Ski Sports At Ngamotu

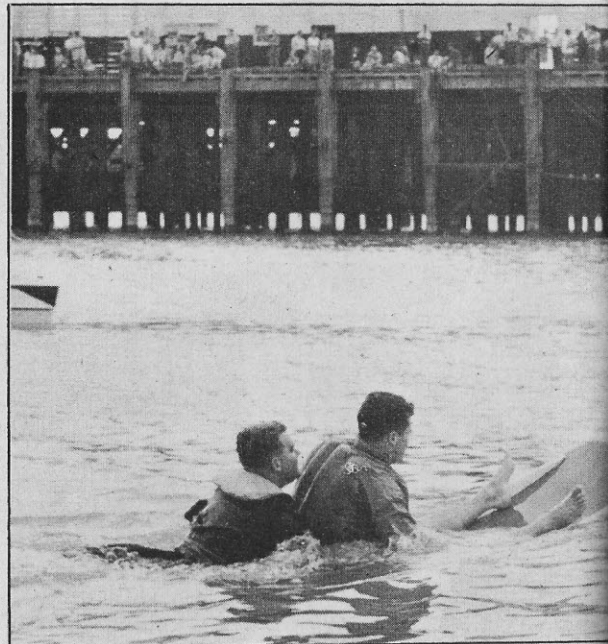

One of the biggest crowds seen at Ngamotu beach attended the water ski display recently. It is always hard to estimate a crowd, but we thought there would have been upwards of 5000 people on the beach to watch this very fine display by the New Plymouth club members.

DEVON STREET IN 1859 AND 1925

Here are two pictures of old New Plymouth, loaned to us by an old resident. The top picture shows Devon Street, looking west from Liardet Street, taken in 1859, just 104 years ago. This was at the time of the establishment of the Taranaki Rifle Volunteers, who later fought at Waireka, and were the first volunteer company in the British Empire to be under fire. One wonders at the living conditions in those days. Below, is a photograph taken in 1925, from the roof of Hannah's building on the corner of Brougham Street. It appears that Brougham Street was much wider in those days than it is today, and shows one of the city's electric buses. The demolition taking place was to make way for the present King's Buildings. The old Bank of New Zealand can just be seen on the left of the photograph.
